

CAR STOLEN HERE FOUND IN TENNESSEE

Two young men who wrecked a stolen car here, apparently burglarized Roger's Sunoco Station, almost ran over Borough Officer Paul Shearer, and are believed to have stolen cars in Gettysburg and Fairfield on December 11 are now possibly in Tennessee.

Borough police here were notified Tuesday that the car of Donald A. Gilbert, Fairfield, stolen on the morning of December 11, has been located in Wake County, Tenn. Officers in the south began search for the car after a woman motel clerk in Leesburg, Va., telephoned police concerning the suspicious actions of two young men, aged about 16 and 18, and described the car they were driving.

The car was found abandoned. Police here believe the youths seen with the auto found later in Tennessee are the two who were seen by borough police early on the morning of December 11.

TRAIL OF CRIMES

At that time Officer Raymond Menges and Shearer noted a car parked in the Roger's Sunoco Service Station on York St. and decided to investigate. As Officer Shearer approached the vehicle it suddenly backed swiftly and Shearer had to jump to avoid being hit. The car, backing, smashed into a pole, then at high speed swerved onto York St. and, weaving, started west on that street. The vehicle left the road and hit a sign at the Snack Shack, demolishing it. The two youths took to their heels and police lost them in weeds along Rock Creek.

Later that morning a car of Boyd Rinehart, Johns Ave., was stolen. That auto was found abandoned the same morning near where the Gilbert auto was stolen in Fairfield.

In the course of their investigation the police found the Roger's Station had been entered—apparently by the two youths police surprised in the parking lot.

Intruder Arrested At Old Co. Home

Daniel J. Canary, who was unable to give borough police an address, was charged this morning before Justice of the Peace Robert P. Snyder with vagrancy and trespassing and sentenced to serve 30 days in the county jail. Canary was apprehended Tuesday morning of the old county home, Harrisburg Rd., after Martin Baltzer, attendant at the county home property, reported to the sheriff's office that he heard noises from one of the other buildings while he was feeding the horses about 5:30 o'clock.

Borough police were called to investigate and found Canary in the dormitory. He said he had gained entrance through a window.

STOCKS RALLY

NEW YORK (AP)—The stock market rallied strongly early this afternoon, recovering most of its losses of the two previous sessions.

Trading was active. Gold and other nonferrous metals issues led the way. Steels and motors also were strong.

American South African, advancing more than 2 points, and Dome Mining, gaining more than a point, hit new 1964 highs.

Best Decorated Home

Part of the first prize-winning Christmas display of David C. Neth, 16, at the home of his parents, Mr. and Mrs. Philip Neth, 312 E. Middle St., is shown above. The judging of the Gettysburg Chamber of Commerce contest took place Tuesday night. The "organist" with the "choir" atop the roof is animated. Two of the three ground scenes are shown, silhouetted wisemen on camels approaching Bethlehem, and the creche. Not shown is a ground display of shepherds, one of whom is animated. The doorway at the Neth home features lights and shadow boxes and "stained glass" windows have been placed in the bay below the "choir." All of the display was handmade by young Neth, including the method of switching on and off spotlights to illuminate the various ground displays at different times. (Times photo)

Firemen Called To Two Blazes

Gettysburg firemen were summoned to two fires during the night.

At 7:30 Tuesday evening the firemen were called when a welder caught fire at Maitland Brothers along the Littlestown Rd. The blaze was extinguished before firemen arrived. Notified that the blaze was at "Maitland's" shop on the main highway, the firemen went first to the Russell Maitland "Battlefield Earthmoving" shop on the Chambersburg Pike.

The second fire occurred at 3:45 this morning at the home of Harry Lear, Chambersburg St., where a mattress caught fire, apparently from a cigarette, firemen said. The mattress was removed from the house and there was no damage.

Archers May Not Stalk Deer Here

Those who hunt deer with bow and arrow may not stalk the animals in Adams County during the archery season January 4 to 9, County Treasurer Daniel Wolff noted today.

The notice sent the treasurer and others concerning the January 4 to 9 archery deer season lists the places where the archers may hunt as Allegheny County and that part of southeastern Pennsylvania bounded by Rt. 22 on the north, the Susquehanna River on the west, the Delaware River on the east and the Maryland line on the south, thus excluding Adams County.

PLEADS GUILTY

Glenn Edward Kint, 23, Fairfield, was placed in the county jail in default of \$1,000 bail Tuesday after pleading guilty before Justice of the Peace John Whitman to a larceny charge brought by state police. According to the justice's records he is accused of taking auto tires from David Ray Fair, Fayetteville R. 2. He is scheduled for arraignment before the county court on February 1.

Red Guerrillas Capture 2 U.S. Enlisted Men, Then Wipe Out Two Companies

By MALCOLM W. BROWNE
SAIGON, South Viet Nam (AP)—Government forces recaptured the district capital of Binh Nghia today, but the Viet Cong captured two U.S. enlisted men and wiped out nearly two companies of government troops. Two other U.S. soldiers, members of the Special Forces, were killed Tuesday night in another action 30 miles north of Saigon. Their deaths brought to 241 the number of Americans killed in combat since December 1961. Thirteen Americans now are missing. Six U.S. servicemen also were wounded in the three-day battle for Binh Nghia, 40 miles east of Saigon. Fighting still flickered Wednesday evening, but the Viet Cong was believed to have made its final onslaught on the town. **LOSE 3 COPTERS**

NETH HOME IS TOP WINNER IN XMAS CONTEST

The display at the home of David C. Neth, 312 E. Middle St., won first prize of \$50 Tuesday night in the annual Christmas Decorations contest sponsored by the Gettysburg Chamber of Commerce.

The first place entry included an animated organist and choir boys on the roof, and separate scenes on the law of a creche, shepherds and the wise men. Spotlights illuminated the lawn scenes at different times.

Thirty-four residents of the Gettysburg area entered their home decorations in competition in which \$200 in prizes was awarded. The judges, Sterling Musselman, Mrs. A. H. Good and Walter B. Lane, noted: "There were a great many other homes that also should have been entered in the competition."

OTHER WINNERS

Second prize, \$40 went to the nativity scene on the porch at the home of Terry Lehigh, 215 W. Middle St. Third prize, \$30, was awarded to the display at the home of William E. Swisher, 40 S. Stratton St., where the decorations included lights around the house, a well-decorated doorway and a nativity scene in a large bay window.

Fourth prize, \$20 was awarded to Mrs. M. S. Moorhead, Woodcrest, Gettysburg R. 2; fifth prize, \$15, went to Miss Carol Codori, 125 E. Broadway.

There were nine \$5 awards, for sixth through 14th place respectively. The winners in order were Donald Carver, Gettysburg R. 6; Donald J. Reimer, 154 S. Howard Ave.; E. R. Paris, 956 Highland Ave.; Morris DeSimon, Gettysburg R. 2; Robert M. Plank, 340 E. Middle St., whose entry was listed as for the Gettysburg High School band; William A. Anderson, Gettysburg R. 3; Donald Folkner, Gettysburg R. 2; Mrs. Emma Sheffer, 63 W. Water St., and Frank I. Linn, 208-210 E. Middle St.

Four honorable mentions were listed by the judges. They were the decorations at the homes of Mrs. Richard Garrett, 228 Chambersburg St.; James Newman, 704 Highland Ave.; Daniel Shearer, 191 S. Reynolds Ave.; and W. Russell Schwartz, 109 Windbrill Lane.

Surviving are his wife, the former Goldie M. Mickle, to whom he had been wed for 64 years; three children, Mrs. Margaret Lorenz, at home; Robert Clair Starnes, California, and Charles J. Starnes, McMurray, Pa., and by two grandchildren.

Peacocks Stolen And Farm Home Is Robbed 3rd Time

Thieves and vandals have dealt another telling blow against Dr. and Mrs. John Knox leading officers to believe that someone is contriving to make it a continuous thing.

Some time during December thieves stole six young peacocks from the Knox farm property west of the State Police barracks on the Fairfield Rd. Their loss was discovered Christmas Day. They are valued at more than \$350.

They stole two peacocks from one pen and four from another. They ranged in age from 1 to 3 years.

The Knoxes breed and raise peacocks and their loss is a severe blow to them.

And for the third time the Knox farmhouse above Arden'sville was burglarized sometime during December. The rear door was broken to gain access and the thieves stole a television antenna, some furniture dishes and silver. There has been no estimate of the loss.

Nine families lost a loved one—most of them the breadwinner—as the result of traffic accidents occurring between 6 p.m. December 31, 1963 midnight, January 1, 1964.

Here's a safety suggestion for New Year's Eve to prevent the possibility of such a tragedy befalling your family.

Prior to leaving for that New Year's Eve celebration this year, promise your children and loved ones that there will be no vacancy in your family circle because of a traffic accident. To be really effective, this promise should be made aloud.

The suggestion was proposed today by Traffic Safety Commissioner Harry H. Brainerd—aimed especially at the motorist planning a "night on the town" to usher in the New Year, but equally applicable to the pedestrian.

Eight persons—killed in Pennsylvania traffic accidents last New Year's Day—did leave a vacant chair, an empty void that can never be replaced for the young ones and other members of the family.

These eight lost their lives in needless traffic accidents during the 24-hour period starting at midnight on January 1st. Another was killed on New Year's Eve during the period from 6 p.m. to midnight.

"The drinking driver and pedestrian can—and do—contribute to a shameful and needless death toll on our streets and highways," Brainerd declared.

"Motorists who feel they must drink to celebrate the arrival of the New Year," he suggested, "should take a nondrinking driver along or plan to travel by taxi. The drinking pedestrian would also be wise to 'grab a cab.'"

Brainerd also had some advice for drivers going out on New Year's Eve even if they don't drink.

"Make sure you are especially alert," he said, "and don't let the excitement of celebrating affect you." Regardless of how you celebrate, the safety official concluded, keep that promise to your young and loved ones that you'll be alive in sixty-five. Don't break the family circle!

BLOOD DONORS

The Warner Hospital blood donor list from December 22 to December 29 includes: Rev. Norman Wilson, Sterling Roth, Lou Brady, Regina Hoke, James Bucher, Robert Woodson, Edwin Cole, Ernest Rebert, John Humerick and Wales Rightmire.

PLAN MINISTRY SCHOOL

The Church of the Brethren has announced that a school for all persons interested in the education ministry of the church, dealing with "Principles, Administration and Methods of Christian Education," has been planned for the First Church of the Brethren in Carlisle, beginning January 6 and continuing each Wednesday evening through April 28. Mrs. Virginia Fisher will be the teacher.

136 FAMILIES GIVEN HOLIDAY BUREAU HELP

One hundred thirty-six families were provided with a more cheerful Christmas through the operation of the Holiday Bureau, Miss Dorothy Curtis, chairman for the bureau, announced today.

The bureau is set up each year as a clearing house, to obtain names of needy families and provide those names to organizations and individuals who may wish to "share" Christmas by providing food and gifts for the needy.

Despite the large number of donors, there were still a few families remaining on the list when the office was closed December 24. The office was open from December 7 to December 24. Miss Curtis expressed the appreciation of the various organizations which manned the "bureau," to the United Fund which provided use of its office and telephone for the bureau, and to William McCrorie, Red Cross secretary, whose office is in the same suite and who "donated much of his time to handling the bureau when volunteers were not there."

MANY GROUPS HELPED

The Business and Professional Women's Club sent letters to various organizations concerning the availability of the bureau and its purpose, and arranged for newspaper and radio publicity.

The Soroptimist Club secured volunteers to man the office and set up the schedule for its operation. Among members of the Soroptimist Club who manned the office as volunteers were Mrs. Katharine Manning, Mrs. Louise Bream, Mrs. Verna Myers, Mrs. Doris Shoemaker, Miss Curtis and Mrs. Frances Burton. Members of the TKE fraternity who manned the office included Ronald Spring, Paul Larson, Jack Ober, Gerald Worth, James Rush, John Anderson, Richard Forney, Elbert Mitterling, Richard Hutch, and William Bonner.

Members of the Beta Sigma Phi sorority who helped man the office included Mary Lou Kranias, Phyllis Hess, Sandy Pyles, Linda Fair, Alice Bigham and Selena Christman. Others who assisted in staffing the office included Ronald Kime, John Kendeheart, Theron Basehor, Mrs. Regina Hoke, Rev. James Lesher, Mrs. Virginia Parry, Robert Corbe, Simon Monforte and Mrs. Helene Rossler.

Miss Curtis said her organization "wishes to express its appreciation to all who helped man the office, and all those who donated to the needy at Christmas."

To Dance Friday At Youth Center

Saturday night a record hop will be held from 8 to 11 o'clock at the Center with Wayne Livelsberger as disc jockey.

TRAVEL COUNCIL MEET

Robert Shoemaker, director of the Travel Development Bureau of the Department of Commerce, Harrisburg, will be the guest speaker Tuesday evening at the January meeting of the Travel Council at the Varsity Diner. Dinner will be served at 6:30 o'clock.

BOARD TO MEET

There will be a regular meeting of the Gettysburg Area School Board next Monday evening in the office of Supt. H. Edgar Riegle in the junior high school building. The meeting will be held at 8 o'clock, according to notices issued by Secretary Orville B. Orner.

Get Out The Bells, Horns, Whistles... Another New Year Is Nearing Its Debut

Get out the bells, the whistles and the horns. It's almost the hour to ring in another New Year.

Clubs and private groups are planning gala affairs and many families are planning "home parties" to renew the bonds of personal relationships for another year.

The sentimentalist will give thanks for a good year past, and the hopeful will look forward to a prosperous and happy future. The optimist will see good fortune ahead; the pessimist will hope to evade misfortune and tragedy.

NEW THINGS

The world loves new things, and a New Year is no exception. It is the promise of happiness, success, prosperity; and regardless of what the year just past has brought, there is always the hope for better things to come. The victims of reversals greet the New Year with hope and enthusiasm; the fortunate welcome another year of rewards and hap-

J. E. Bangerd, Frostburg, New Administrator At Hospital; Begins Feb. 1

JAMES E. BANGERD

James E. Bangerd, Frostburg, Md., has been appointed administrator of the Annie M. Warner Hospital. In making the announcement Clark S. Smith, president of the hospital, said that Mr. Bangerd will assume his duties on February 1.

Donald Z. Wagner, comptroller of the hospital, in addition to his own duties as comptroller for the last several months since the departure of Walter B. Dillon to assume administration of the Good Samaritan Hospital, Lebanon.

President Smith voiced the board of directors' commendation of the services of Wagner in his dual capacity during the interim and said he will continue as comptroller of the hospital after February 1 in which position he has been "imminently successful."

IS NAVY VETERAN

Bangerd comes to the Warner Hospital following more than eight years as administrator of the 65-bed Miners' Hospital at Frostburg. He is a veteran of World War II, having served in the Navy. He pursued a war training course in sanitary engineering at the University of Maryland and after his discharge from the service took courses in the same subject at the University of North Carolina.

He was employed by the city of Cumberland health department as a milk inspector for four years and served as plant manager of the cooperative milk service in Cumberland for eight years.

FATHER OF TWO

Bangerd is 46 years of age, is married, and has two married children. His daughter, Mrs. Nancy J. Wolford, is a registered nurse in the Sacred Heart Hospital, and his son, James E. Jr., is an X-ray technician in the Miners' Hospital.

Mr. and Mrs. Bangerd are members of St. Luke's Lutheran Church, Cumberland. Bangerd is a native of Meyersdale, Pa., and is a graduate of the high school there. He is a member of the Rotary Club of Frostburg and the Allegheny Campers Club of Cumberland. He is a member of the Loom Lodge No. 271, Cumberland, and holds membership in the Delaware-Maryland-District of Columbia Hospital Association as well as the American Hospital Association.

John E. Stoner, 66, Orrtanna R. 1, Dies

John E. Stoner, 66, Orrtanna R. 1, died Tuesday evening in the Warner Hospital where he had been a patient since November 30.

A native of Adams County, he was a son of the late Jacob and Ruth (Walter) Stoner, and was a farmer all of his life.

Surviving is his widow, the former Grace Fortna, to whom he had been wed 39 years and a number of nieces and nephews.

Funeral services Saturday morning at 10:30 o'clock from the Bender Funeral Home with the Rev. Joseph Woods, pastor of Lower March Creek Presbyterian Church, officiating. Interment in Florh's Cemetery. Friends may call Friday evening at the funeral home.

Eric Bergdale, a member of Explorer Post 79 of St. James Lutheran Church, received both the Star and Life badges at a Court of Honor held by the post Monday night. In a news article appearing Tuesday it was stated that he received only the Star rank.

'64 Traffic Toll 48,000

CHICAGO (AP)—Traffic deaths in 1964 have hit record high marks in at least 21 states and safety experts estimate that the nation's final toll this year will reach an all-time high of 48,000.

An Associated Press survey showed that traffic fatalities in the 21 states surpassed old marks before or during the Christmas holiday weekend. The survey also showed that several other states may top old records.

The National Safety Council, which has estimated this year's traffic deaths at 48,000, said final figures will not be available until late next month. Last year's toll of 43,600 was an all-time high.

HALLECK LEAD HINES ON NOD OF 40 MEMBERS

By WILLIAM F. ARBOGAST
WASHINGTON (AP) — An estimated 30 to 40 members who have declined to commit themselves seemed likely today to hold the balance of power in the fight between Reps. Charles A. Halleck of Indiana and Gerald R. Ford of Michigan for the House GOP leadership.

They may take sides between now and next Monday morning when the 140 House Republicans meet to elect their leader.

Neither Halleck, the floor leader since 1959, nor Ford, chairman of the Republican conference, would make any public predictions about the outcome. Each previously has said he expects to win.

WINNER NEEDS 71 VOTES

Assuming all 140 Republicans attend Monday's session, the winner would need at least 71 votes. Voting is by secret ballot and a last-minute switch in promised support could not be detected.

Following a strategy session Tuesday in Ford's office, one of his lieutenants who preferred not to be identified said there were about 30 or 40 members who thus far are uncommitted.

Even without them, he said, "Ford will make a respectable showing and I think he will win."

PREDICTS SLIM MARGIN

A Halleck aide agreed with the figures but predicted Halleck would come out on top by a slim margin.

Included in the group of uncommitted members are some of the "Wednesday Morning Club" composed of moderate-liberals expected to support Ford.

This group of about 20 young Republicans wants more recognition in party councils and may use its position for bartering purposes. One of its leaders admittedly conferred Tuesday with both Ford and Halleck but insisted that no deals had been made or suggested.

The Wednesday Morning Club members plan a final huddle perhaps as late as Sunday.

Whoever is elected floor leader will have much to say about three other leadership positions — party whip, conference chairman and policy committee chairman.

Beaver Dam On Canal Destroyed

MORRISVILLE, Pa. (AP) — The 70-foot wide beaver dam that was blocking the Delaware Canal north of here has been broken up by workmen from the State Department of Forests and Waters.

James Bailey, superintendent of the Theodore Roosevelt Memorial Park, said the seven-foot high dam had to be destroyed because it could have caused flooding in periods of heavy rain. It was built by beavers during the summer drought.

The dam blocked the canal at a point a half mile north of here, in Lower Makefield Twp. The canal, which runs from Easton to Bristol, was abandoned in 1931 and is now maintained as a state memorial park.

SEEK RED PLANES

JAKARTA, Indonesia (AP) — Indonesia plans to seek jet training planes next year from communist Czechoslovakia because the United States won't sell it spare parts for the American-made trainers its air force is using.

RUSH WORK ON NEGRO CHURCH

RIPLEY, Miss. (AP) — The "Christmas Carpenters" hustled today to install windows, lights and a heater before their new church houses its first civil rights rally.

The "carpenters" — a group of college students — are rebuilding a rural Negro church which went up in flames last October after a similar civil rights session.

"The roof is almost completely finished," said David Reed, 21, of Littleton, Mass., an Oberlin student.

"The windows are in hand and most of the electrical wiring should be done by tonight," he added. "There will be light. We hope there also will be heat."

WOMAN TO SPEAK

The speaker scheduled for the rally is the same who visited the church in the pre-fire rally — Fannie Lou Hamer of Ruleville.

A leader in the Mississippi Freedom Democratic party, she is one of three Negroes who have filed claim to seats in the U.S. House of Representatives.

The Freedom party, mainly Negro, is challenging the election of Mississippi's white representatives on the ground that they represent only one faction of the state's citizens because few Negroes are allowed to vote.

General At Odds With Solon's Views

SEOUL, South Korea (AP) — Gen. Hamilton H. Howze, the top American commander in Korea, today took issue with the suggestion by Sen. Frank E. Church, D-Idaho, that U.S. forces in Korea be reduced.

Howze said any U.S. senator has a right to question distribution of American forces.

But he added: "A decision on what will be done with the troops is based on careful military analyses. All military analyses I have seen show that maintenance of strong forces is a strong necessity."

Miss Genevieve Swearengin, daughter of Mr. and Mrs. Haskell Swearengin, Knoxville, Tenn., became the bride of Clair J. Miller, son of Mr. and Mrs. Melvin G. Miller, Biglerville R. 1, Tuesday evening at 7 o'clock in the Eighth Avenue Church of God, Knoxville, Tenn. The Rev. Harold L. Smith officiated.

The bride wore a street-length dress of white brocade. Her veil was held by a crown of seed pearls and she carried a bouquet of gardenias.

The bride was employed by the C. M. McCullough Co., Knoxville. The groom graduated from Lee College, Cleveland, Tenn., and the University of Tennessee. He is employed as assistant field director with the American Red Cross at the U. S. Naval Base, Charleston, S. C.

After a wedding trip to Miami and Nassau, the Bahamas, the couple will reside in Charleston.

MAN CHARGED WITH KILLING COP GIVES UP

CURWENSVILLE, Pa. (AP) — "I could have reached out and touched their legs, they were so close to me."

That was what Richard Lines, 38, of Curwensville told his brother, James, in describing how he eluded policemen for some 24 hours before surrendering to state police Tuesday.

Richard Lines, charged with the murder of Lyle Domico, 55, a Curwensville patrolman, was the object of an intensive search on the outskirts of this Clearfield County community.

NO MOTIVE

Domico was found dead early Monday, slumped against his police cruiser with .38 caliber bullet wounds of the chest and abdomen.

No motive for the killing has been established.

Prior to his surrender, Lines told his brother he slipped into the woods and hid beneath brush and shrubbery, watching the searching parties. He was armed with two pistols and a rifle.

OVERHEARD PLANS

At one time he climbed into the underpinnings of a bridge and listened to the searchers on the bridge discussing how they would conduct the search, James quoted his brother as saying.

James said his brother, who stayed within a mile of Curwensville during the searching period, contacted him at dusk Tuesday and told him to call the police. He waited in a garage at his brother's home in Curwensville.

James Lines called the police, walked out to the garage and yelled, "Dick, come out. You're surrounded."

HAD 3 GUNS

Richard laid down the two pistols and rifle he was carrying and surrendered.

He was arraigned before Justice of the Peace Claude Bloom of Curwensville and ordered held in the Clearfield County Jail pending a preliminary hearing Tuesday.

State police swore out the murder warrant against Lines and launched the intensive search.

19 KNOWN DEAD IN FLOODS IN FIVE STATES

By LYLE W. PRICE
SAN FRANCISCO (AP) — The Far West's "flood of a thousand years" entered the recovery stage today as 15,000 homeless families and hundreds of stricken farms and businesses dug out from nature's \$1-billion blow.

"As far as the real emergency — that's over, right now," said Jim Morrison, Civil Defense spokesman at Eureka, Calif., in hard-hit Humboldt County.

The report was identical in the five flood-distressed states of California, Oregon, Washington, Idaho and Nevada.

Helicopters and jeeps brought the first outside food supplies in a week Tuesday to the last known isolated pocket — 500 persons stranded in lumbering villages west of Yreka, Calif., near the Oregon border.

LOOKING BETTER

"Everything's beginning to look a lot rosier," reported Bill Sowle, Yreka Civil Defense chief.

"They're getting back down into the towns now and starting to dig out," said Morrison. "No more people want to be evacuated. They want to be sustained where they are."

The flood, described by Department of Interior water specialists as probably the greatest ever experienced in the West, caused 19 known deaths in California and 18 in Oregon.

Plan Full-time Bargaining Basis

WASHINGTON (AP) — A shift from traditional last-minute bargaining has been proposed by a blue-ribbon panel after an 18-month study of the causes of labor-management strife.

The new style of bargaining as recommended by the 12-man panel would involve continuing discussions between labor and management instead of the traditional hectic bargaining that often takes place when a contract is about to expire.

The group, composed of prominent representatives of both sides, was named by late President John F. Kennedy.

OLYMPIA, Wash. (AP) — Gov. Albert D. Rosellini of Washington, who was defeated in November when he sought a third straight term, has been mentioned as a possible president of the Motion Picture Association of America.

Rosellini, 54, a Democrat, said he wasn't seeking the \$125,000-a-year job, but was "interested in listening."

Charge Three With Homicide Tuesday

PHILADELPHIA (AP) — Three persons were arrested and charged with homicide Tuesday in the deaths of two infants in separate incidents.

In one case, James Piersall, 19, was charged with homicide for inflicting brain damage on his 5-month-old daughter, Rochelle, last Dec. 5.

Police said Piersall threw her against the side of the crib when she cried at night.

In the second case, George Sullivan, 37, and his wife, Doris, 33, were charged with homicide in the death of their son, Clyde, six months, on Nov. 16.

Police said a medical examination showed the infant died of malnutrition and dehydration.

COMPLAINTS ON BOYS

C. Redding, Gettysburg R. 1, reported to borough police that five boys in a late model, grey car pulled over to the sidewalk Tuesday evening at 10:30 o'clock as he was walking on Steinwehr Ave. and called him abusive names. An hour later an unidentified woman telephoned police that five boys were fighting in the Murphy Co. parking lot. When police arrived at the scene the boys were getting into their automobile and denied any knowledge of an altercation.

Red China Says Its Army Is Stronger

TOKYO (AP) — Red China claimed today its army, bolstered by new technical equipment and cleansed of the "bourgeois military line," is stronger than ever before.

Vice Premier Lu Jui-ching, former secret police chief who heads the army general staff, told the National People's Congress in Peking that the army is "a completely new type" securely under Communist party influence.

DAR ES SALAAM, Tanzania (AP) — Nine Communist Chinese broadcasting specialists arrived Tuesday night to make a survey preparatory to the building of two radio transmitters for the Tanzania government.

U.N. MAY CLOSE YEAR WITHOUT VOTE ON FUNDS

UNITED NATIONS, N.Y. (AP) — The U.N. General Assembly makes another attempt today to finish its 1964 business without a showdown over the Soviet Union's assembly vote.

Assembly President Alex Quaison-Sackey of Ghana called chief delegates to his office this morning for a second informal poll which he hoped would give Jordan or Mali a two-thirds majority for a seat on the Security Council starting New Year's Day.

In one such informal poll Tuesday the assembly members gave Malaysia 80 votes, the Netherlands 91 and Uruguay 92 for the other three council seats that became vacant Jan. 1. At an assembly session afterward, Quaison-Sackey declared them elected by general consent.

INFORMAL POLL

On this informal poll Jordan got 70 votes and Mali 50. Mali refused to withdraw unless one of the two got the two-thirds majority required for election on a formal vote. Apparently some of the 112 assembly members polled cast ballots for both Jordan and Mali.

Quaison-Sackey and Secretary-General U Thant awaited Soviet acceptance of a U.S.-approved plan to recess the assembly late today, seek voluntary financial contributions from members and resume the assembly Jan. 11 without raising the Soviet vote question.

DEATHS

Walter J. Eser
Funeral services for Walter J. Eser Jr., 60, who died Sunday in Baltimore, were held this morning at Grace English Lutheran Church, Baltimore.

The deceased was a frequent teacher at Camp Nawakwa, Lutheran Church camp near Brysonia.

Interment was made in Gardens of Faith Cemetery, Baltimore.

ALBUQUERQUE, N.M. (AP) — Albert G. Simms, 82, Republican representative in Congress from New Mexico from 1929-31, died Tuesday. Simms, who was born in Washington, Ark., came to New Mexico in 1915 and had a long career as a lawyer, banker, businessman and politician.

LONDON (AP) — Gustavus Green, 99, builder of Britain's first successful airplane engine, died Tuesday. He perfected his first engine of 60 horsepower in 1908. In 1909 it powered the biplane used by T. C. Moore-Brazzard for the first circular one-mile flight ever accomplished in Britain.

MISSED WHIP, GOES TO JAIL

WILMINGTON, Del. (AP) — Franklin W. Cannon Jr., sentenced to 20 lashes at the whipping post for parole violation two years ago, has pleaded guilty to passing a worthless check last August.

Judge Robert H. Wahl of New Castle County Court Tuesday sentenced Cannon to 90 days in jail, to be served concurrently with sentences of 100 days imposed by three other magistrates for other worthless check charges.

Wahl said he believes incarceration was doing Cannon no good. Cannon told Wahl Tuesday he has a promise of steady employment in Pennsylvania when he gets out of jail. Cannon lost a fight to prevent his extradition from Pennsylvania last September to face the worthless check charges.

Superior Court Judge Stewart Lynch sentenced Cannon to the whipping post and caused a controversy. The sentence was never carried out and withdrawn by Lynch last Aug. 28.

ENTERS GUILTY PLEA

NORRISTOWN, Pa. (AP) — Michael Margolin, 18, pleaded guilty Tuesday to charges of involuntary manslaughter in the death of his stepfather, Herman Dorfman, 46, last September. Margolin, appearing before Judge J. William Ditter of Montgomery County Court, said he killed Dorfman with a blow on the head with a baseball bat when he was attacked with a steel bar during an argument. Margolin is free in \$5,000 bail.

Two Travel Films Shown Rotarians

Lloyd L. Staveloy of the fellowship and attendance committee showed two films at the meeting of the Littlestown Rotary Club on Tuesday evening at Schottie's Hotel. The scenic films were of Mexico and Bermuda.

The visiting Rotarians were the Rev. Dr. Nevin E. Smith, Hanover, and Paul Fox, Gettysburg. J. Marker Dorn was a guest of P. Emory Weaver.

The club program for the next six months will be planned at a club assembly next Tuesday at 6:15 p.m. at Schottie's. The club service committee, Fred W. King, chairman, will be in charge. Following the brief meeting, the Rotarians will attend the community preaching mission service in a body in St. Paul's Lutheran Church.

Pa. Employment High In November

HARRISBURG (AP) — Pennsylvania employment soared to its highest November level since 1957 this year, reports the State Labor and Industry Department.

William P. Young, department secretary, said Tuesday employment for the month of November totaled 4,371,900 — 3,800 more than October and 63,400 more than November one year ago.

JURY TO HEAR NEW EVIDENCE IN 3 MURDERS

JACKSON, Miss. (AP) — A federal grand jury reconvenes Jan. 11 to consider Mississippi's case of the three slain civil rights workers — including "new evidence."

A government source confirmed reports of new evidence in the Justice Department's efforts to bring 21 men to trial in the case.

The civil rights workers were killed near Philadelphia, Miss., last summer after venturing into Neshoba County to investigate the burning of a Negro church.

ISSUES ORDER

Judge Harold Cox of Jackson issued the call Tuesday for the grand jury to reconvene. His order made no mention of the murders.

The Justice Department asked for the grand jury after U.S. Commissioner Esther Carter dismissed charges against 19 of the men at a Meridian hearing.

The commissioner's decision in the hearing, at which the government had only to show "probable cause" for a charge, was termed unprecedented by the Justice Department.

Charges against the other two men — arrested at Biloxi, Miss., and Shreveport, La. — were dropped.

NLRB ORDERS REINSTATING

WASHINGTON (AP) — The National Labor Relations Board today charged Otto Weber, proprietor of a small manufacturing concern in West Point, Pa., with violation of the National Labor Relations Act and ordered him to reinstate two employees who were fired four days after they joined the Teamsters Union.

Trial Examiner C. W. Whittemore heard testimony that truck drivers David Fries and Robert Morath joined the Teamsters Union on May 7, 1964, and were fired by Weber May 11. Counsel for the drivers claimed they had been fired because of their union membership.

Weber contended that he knew nothing of their union membership when he fired the drivers, but said he dismissed them because of damage to his trucks.

Whittemore also ordered that the employees be paid all back wages not received from the date they were fired.

Weber's firm, the West Point Supply Co., engages in light manufacturing and distributes compressed gases and welding supplies.

NEW HEAD OF PSEA IS NAMED

PITTSBURGH (AP) — A science supervisor in the Allegheny schools, Henry Messinger, will be the new president of the Pennsylvania State Education Association.

Messinger, who was elected Tuesday, will assume office Jan. 1, 1965 for a one-year term. He will succeed Henry Stoudt, a social studies teacher from Huntingdon.

Messinger was opposed by E. Ray Shank, principal of the Roosevelt Elementary Schools in Norristown.

Balloting was conducted at the PSEA's 112th convention in Pittsburgh.

Roy W. Brandau, 44, of New Holland, was automatically elected president-elect since he was the only nominee. He will assume the presidency in January, 1966.

seen being led off as captives of the Viet Cong. Among them were two American advisers.

In Saigon, a number of officials said they believed another coup attempt was afoot.

Outwardly things appeared peaceful as negotiations continued on the dispute between U.S. authorities and Lt. Gen. Nguyen Khanh, the armed forces chief, over military intervention in South Viet Nam's civilian government. But there was widespread fear, apparently based on inside information, that a new and possibly violent plot was about to hatch.

STAFF CONFERS

Khanh and his general staff continued conferring at the seaside resort of Cap St. Jacques not far from beleaguered Binh Nhia.

U.S. Ambassador Maxwell D. Taylor conferred with civilian Premier Tran Van Huong. No break appeared in the 11-day-old deadlock.

However, Secretary of State Dean Rusk was reported to have told President Johnson Tuesday that the next few days may see steps in Viet Nam toward establishing a measure of unity in the divided government.

In Washington, Sen. Richard B. Russell, D-Ga. chairman of the Senate Armed Services Committee, said he wants a re-evaluation of the U.S. position in South Viet Nam.

Informed sources in Seoul said South Korea has decided to send about 1,200 army men and marines to South Viet Nam to serve as technical instructors. There was no official confirmation.

PRIZE WINNER WELL GUARDED

HONG KONG (AP) — Hong Kong police threw a tight security screen today around Dr. Chen Ning Yang, the Chinese-American Nobel Prize-winner, and his family from Red China.

Yang, co-winner of the 1957 Nobel Prize in physics, came to the Hong Kong Chinese University for a brief lecture visit from his home in Princeton, N.J. The university confirmed today that his father, mother, brother and sister had joined him from Peking.

It was their first reunion in 19 years. Dr. Yang's father, Yang Ke-chuan, is a professor at the Tsing Hau University in Peking. The arrival of Dr. Yang's parents aroused speculation in the Hong Kong press that the Chinese Communists were trying to woo the 42-year-old physicist back to China.

However, a spokesman for the university said the Yang family had come "just to visit their son — there is no political significance whatsoever to their visit here."

McSherrystown

McSHERRYSTOWN — A mortgage-burning ceremony marking the final payment on a loan for erection of an education annex and its furnishings at St. Paul's Lutheran Church was conducted at worship service Sunday.

The sermon was delivered by Rev. Dr. George E. Bowersox, Hanover, retired, who served as pastor of the congregation from 1961 until 1961.

The note-burning ceremony was conducted by Rev. Dr. Clinton F. Hildebrand, pastor; Earl Bowman, secretary, and William Rebert, treasurer.

The project, which cost \$46,000, was authorized May 23, 1958, and ground-breaking ceremonies were held Aug. 17, 1958.

RAIL FIREMEN TOLD TO LIFT PICKET LINES

By W. B. RAGSDALE JR.

WASHINGTON (AP) — A federal judge has ordered firemen to end their strike against the Southern Railroad. A union official said early today members have been ordered to lift their picket lines and return to work.

"I have notified all of our local chairmen to remove the picket lines and terminate the strike of our members as required by the court order," said J. W. Jennings, vice president of the AFL-CIO Brotherhood of Locomotive Firemen and Engineers.

Jennings said the union had been served with the restraining order issued Tuesday night in Columbus, Ga., by U.S. Dist. Judge J. Robert Elliott.

STRIKE 13 STATES

The union clamped a sudden strike on Southern's 8,100 miles in 13 states and the District of Columbia early Tuesday when the railroad began to operate some yard and freight engines without firemen.

The line, with 16,000 employees including 1,200 firemen, serves such key cities as Washington, Atlanta, Ga.; Birmingham, Ala.; New Orleans, La.; Memphis, Tenn.; Louisville, Ky.; Greenville and Columbia, S.C., and Charlotte, N.C.

Jennings said "while supervisors are reported to be moving some freight cars in a few yards, we are satisfied from all reports that the Southern's freight and passenger services have been effectively halted."

He said other railroad unions were respecting picket lines thrown up at key points along the railroad.

CLIPPERS WIN OVER HORNETS

By THE ASSOCIATED PRESS

The Baltimore Clippers seem to have fully recovered from their slow season start, but it may be too late to make up for the ground they lost in the Eastern Division of the American Hockey League.

The Clippers treated one of their largest home crowds of the year, 5,322, to one of their best skating performances of the season in beating Pittsburgh's Hornets 4-2 in Tuesday night's only AHL game.

The triumph strengthened Baltimore's hold on third place in the Eastern Division. However, the Clippers trail Quebec, the leader, by 20 points.

Veteran winger Dick Meissner sparked the victory, scoring a pair of goals in the first period. His first score came with the game only 40 seconds old.

The Hornets' Murray Hall tallied in the second period, but it was matched by Baltimore's Harry Pidhirny. Baltimore's Ken Schinkel and Pittsburgh's Lowell MacDonald swapped goals in the final period.

Pittsburgh is at home to Springfield tonight, while Rochester is at Buffalo and Cleveland at Hershey.

Dispute Brewing On Appointment

HARRISBURG (AP) — A dispute is brewing over the appointment of Donald C. Rubel to the Philadelphia Registration Commission with control hanging in the balance.

Gov. Scranton appointed Rubel Tuesday to replace Democrat Leon Sacks, starting Jan. 5 as the effective date. In this case, Rubel could assume the post without Senate confirmation, since the legislature does not convene until Jan. 5. This would give Republicans a 3-2 edge on the five-member commission.

But Sacks insists his appointment runs through Jan. 6, which would allow Senate Democrats to block confirmation of Rubel's appointment and leave Sacks in office until the legislature adjourns, retaining Democratic control.

Delaware Has 116 Road Deaths In '64

WILMINGTON, Del. (AP) — Results of an autopsy and laboratory tests have attributed the death of Thomas C. Montague, 42, to complications from injuries suffered in an automobile accident last Aug. 16, according to Dr. Ali Z. Hameli, state medical examiner.

Montague, of Wilmington, died Dec. 22 in Delaware Hospital. Montague thus becomes Delaware's 116th fatal victim of highway accidents this year, a record total for the state.

BLY SERVICES TODAY

Funeral services for Mrs. Mary C. (Cooley) Bly, 59, New Oxford R. 1, wife of Charles H. Bly, who died Sunday morning at her home, were held this afternoon at 2 o'clock in St. John's United Church of Christ in New Chester. Her pastor, the Rev. Ernest W. Brinmade in the church cemetery. The pallbearers were Clyde Nelson, Burnell and Leroy Groupe, Glenn Cooley and Fred Bly.

Airman Ronald E. Benner, son of Mr. and Mrs. Charles R. Benner, 42 Prince St., Littlestown, Pa., has been selected for technical training as an air policeman at Lackland AFB, Texas.

Benner, who enlisted in the Air Force a short time ago, has just completed his basic military training. Schools at Lackland are part of the vast Air Training Command system which trains airman and officers in the diverse skills required by the nation's aerospace force.

The airman is a 1964 graduate of Littlestown High School.

Get Out

(Continued from Page 1)

And so long as New Year's burst upon us we look to the future with optimism and hope. We are drawn by the magnet of mystery to seek more knowledge, more advantages and greater achievements. Life on the moon now has become as certain as jet travel was a decade ago. We stand on the brink of a new life.

The children of the depression have stepped aside for the creativity of the Dick Tracy set and the year 2000 is a near date.

So let's be generous with good old '64. It was a good year while it lasted.

Let's greet '65 with trust and confidence. It can be the beginning of another new and exciting era.

So ring the bells, blow the whistles and toot the horns. Happy New Year!

Letter To The Editor

To The Editor:

We, the members of the Kiwanis Club of Historic Gettysburg, do hereby pay special tribute to Professor Herbert G. Hamme, who passed away at the Warner Hospital Sunday, December 27, 1964. The club wishes to give special recognition to Prof. Hamme for his loyalty and true devotion to Kiwanis work during the past 10 years.

He served as the club's president in 1958, acted as chairman of numerous committees during the time he was a member and was responsible for bringing in many new members to the club.

Professor Hamme was sincerely devoted to community projects sponsored by the Kiwanis Club. He gave his services to all in such an unselfish willing manner. The members of the club will always remember and cherish the fellowship they had the privilege to enjoy with him.

Sincerely,

CLYDE H. MARKLE

COUNCIL HOLDS DINNER MEET

Bendersville borough councilmen at their December meeting Tuesday evening asked residents of the borough to clean their sidewalks promptly this winter after snowfalls, pointing out that many elderly persons find it necessary to walk to the post office and stores.

Council met at Earle's Inn, Harrisburg Rd., for its annual year-end "Dutch treat" dinner. Councilmen explained that each councilman paid for his own meal.

Arrangements are complete for the installation of street lights for the south end of Bendersville and the work will be done at the convenience of the electric company. Engineer William Sees was unable to attend Tuesday's meeting to submit detailed plans for the storm sewer that council plans to install. Further action by council on the sewer plan was delayed. It was reported that several highway signs have been painted and the new stop sign was received for the corner of Carlisle St.

Bills in the amount of \$350 were approved for payment. President George Schriver presided at the meeting which was attended by six councilmen, Mayor Roy Starner and Secretary Kenneth McKee.

Funeral services for Mrs. Anna Grace (Luckenbaugh) (Marquet) Nickey, 69, New Oxford R. 2, widow of Byron L. Nickey, who died in the Hanover Hospital Saturday evening, were held Tuesday afternoon at 2 o'clock at the Feiser Funeral Home in New Oxford. The Rev. John Z. Martin, New Oxford, officiated. Interment was made in the Mt. Carmel Church Cemetery. The pallbearers were Lester Ruppert, Thurman Inskip, Dennis Kline, Donald Howe, Dorwin Dessinger and J. Calvin Leinart.

Life expectancy for Americans has increased from 47.3 years in 1900 to about 70 today.

PAY INCREASE STUDIED FOR PA. EMPLOYEES

HARRISBURG (AP) — The Scranton administration is reportedly studying the possibility of a \$10 million salary increase for some 60,000 state employees next year.

A source close to the Governor's office said Tuesday night the proposal is just in the discussion stages and nothing definite has been decided.

Such a salary increase would require an appropriation approved by the legislature. If so, it would be the first general salary boost given state employees since Scranton took office in January of 1963.

One of the big factors giving rise to the possibility of a salary increase is the report that the administration will end the current fiscal year with a surplus—some say as high as \$50 or \$60 million. Sources say the amount of such a surplus would play a key role in the amount of any proposed salary increase.

The pay raises would range from employee to employee, but no definite figures have been released, according to reports.

Earlier this year some 10,000 hourly maintenance employees of the State Highways Department were granted five per cent pay raises and some 700 technical and professional employees of the state were given an average \$380 a year boost.

However, the paychecks of most state employees have remained the same under the Scranton administration.

TWENTY-FIVE YEARS AGO

Miss Mary Elizabeth Wills, daughter of Mr. and Mrs. Clarence A. Wills, Fairfield, became the bride of John Wilson Beach, son of Mr. and Mrs. Leslie L. Beach, Lawrence, L. I., in a wedding ceremony performed Christmas evening at 7 o'clock by the Rev. Dr. Herbert C. Allen, of the Gettysburg Lutheran Theological Seminary faculty. The wedding took place by candlelight before an altar of evergreens and white chrysanthemums in the living room of the new Wills home along the Iron Springs road, west of Fairfield. Members of the two families witnessed the single ring ceremony. Miss Wills was given in marriage by her father. The bride wore a wedding gown of ivory satin princess model with a long veil and train. She was attended by her sister, Miss Mary Jane Wills, who wore a gown of turquoise blue and carried a spray of red roses and carnations. Leslie L. Beach Jr., brother of the bridegroom, was the best man. There was a reception immediately after the ceremony after which the newlyweds left on a wedding trip to Palm Beach, Fla., where they will spend the remainder of the winter. The bride attended Mary Baldwin college at Staunton, Va., and in 1936 was graduated from St. Joseph's college at Emmitsburg. Later she was employed for a time as a receptionist at the Johns Hopkins hospital in Baltimore. Mr. Beach attended Lawrenceville school at Lawrenceville, N. J., and later graduated from Bard college along the Hudson in New York.

Announcement was made Tuesday evening of the engagement of Miss Elizabeth Laura Weaver, Gettysburg high school librarian and daughter of Mr. and Mrs. Van R. Weaver, Utica, N. Y., and Kenneth Preston Hull, son of Mr. and Mrs. W. Preston Hull, 223 Chambersburg street. The engagement was announced at a dinner party given at the home of Miss Weaver's parents. No date has been set for the wedding.

Residents of the town and county were busy digging out of an 8-inch snowfall Wednesday, the season's heaviest snowfall. The snow surprised Gettysburgians who had retired Tuesday night with a full moon shining in a clear sky. Flakes began falling about 5:30 o'clock the next morning and continued without interruption to mid-afternoon. Tuesday night was one of the coldest of the winter, official instruments of Dr. Henry Stewart, local observer, showed. The mercury dropped to 16½ degrees during the night.

Radford H. Lippy, Springs Avenue, has purchased his father's interest in the business of J. D. Lippy and son, tailors and haberdashers at 49 Chambersburg street, and the building in which the business has been conducted for more than 35 years. Mr. Lippy will take over full management of the business on January 1 when the name of the establishment will be changed to "Lippy's." The oldest tailor and haberdasher in Gettysburg in point of years in business, John D. Lippy has engaged in that business continuously in the first block of Chambersburg street since 1895. He and his son, Radford, have been in business together since 1920.

At a luncheon given this afternoon at the Green Parrot tea room, Emmitsburg, by Miss Kathryn Gitt, daughter of Dr.

Today's Talk

BRIGHT EYE AND CLEAR BRAIN

The human machine is like every other machine in this respect — it must have the right fuel, get kindly care, and not be driven beyond its efficient capacity. Then there will be the bright eye and the clear brain which are the evidence of health and power.

Great care in the selection of the goods that we eat and sane exercise keep this machine of ours in the best of order. Said Dr. William Osler: "The clean tongue, the clear head and the bright eye are birthrights of each day." The dyspeptic doesn't make a very good friend for any of us, nor is such a one a good friend to himself.

We cannot concentrate in a peaceful, relaxed manner when this digestive system of ours is upset and abnormal in functioning. Our meals should be taken regularly, eaten slowly and with relish, and while in a cheerful mood. Anger, worry, or unhappy discussion should never be allowed during one's meal. It is stimulating to eat with people who are cheerful and who have a happy outlook upon life. When away from home one should hunt out attractive places in which to eat.

The measure of each one of our days is sparked by the first hour upon awakening. It is then that our plans are set and our outlook is arranged. What better plan than to get in touch with the Infinite Mind, with a prayer of thanksgiving for the rest of the night and for guidance during each hour of activity during the new day?

The bright eye and the clear brain are a reflection of our bodily condition and of our attitude of mind toward life and its pleasurable duties. Said of Walt Whitman: "Ah, the glory of the day's work, whether with hand or brain!" Our individual success and happiness from day to day are reflected by the philosophy of life that we make our own the words of Robert Browning, "There's a world of capability for joy spread around about us, meant for us, inviting us." Grasp it all and there is sure to be evidenced the bright eye and the clear brain.

Just Folks

THE PASSING YEAR
The year is old; a few more hours
And it is done with bickering
powers,

With human failure and success,
And all man's innate selfishness.

A few more hours of life, and then
The Old Year leaves this world
of men,

Forever more to be a date
Of human dealings, small or
great.

A few more hours Old Year to
run,
Then just the tale of all we've
done,

The record brief where will be
seen
How strong and weak our age has
been.

Chester N. Gitt, her engagement to Granville Shultz, son of Mr. and Mrs. Fred Shultz, Trenton, N. J., was announced. The announcement was made in the form of individual "telegram" messages given the 11 guests at the luncheon.

Dr. Raymond F. Sheely, an intern at the University of Pennsylvania Hospital, Philadelphia, arrived today to visit his parents, Mr. and Mrs. Charles Sheely, W. Middle St.

Plumber Dies Suddenly: Ralph Nicholas Wierman, 55, a plumber here for 36 years, died very suddenly at 12:30 o'clock this morning at his home, 135 York Street. A heart attack caused death. Mr. Wierman had been in his usual health Friday and in the evening had attended a Communion service at St. James Lutheran Church. He and Mrs. Wierman entertained guests until about 10 o'clock and then played a game of checkers before preparing to retire about 11 o'clock. Mr. Wierman became ill and a physician was called but death followed in a short time. Surviving are his widow, the former Daisy Thorne; a daughter, Mrs. Edgar Anderson, Harrisburg, and two brothers, Danner, Cincinnati, and George, Norristown.

JAYCEES LIST 2 COMMITTEES

The committee appointments for the annual mink stole project of the Littlestown Junior Chamber of Commerce have been announced as follows: Dean W. Bankert and Clyde W. Crouse, cochairmen; tickets, James Aumen, William E. Warner, J. Scott Zanger, Ronald Oaster and Ray F. Slaybaugh; publicity, Jean Shorb, Robert L. Dillman and Richard E. Selby; stole purchase, Freddie L. Dutterer, John E. Shomper, Ronald Welty and Albert J. Bair; program, James O. Wolf, Wilmer Dutterer, Thomas R. Gouker and William E. Heyser; dinner or dance, C. Robert Orndorff, R. Samuel Long, Paul Hanlon and Otto C. Sells; solicitations of prizes, Dean Shorb, James Weaver and Larry Kline.

It was suggested at the last Jaycee meeting that the chapter set up a special fund for community development projects. The committee named to investigate the project includes Robert Orndorff, Dean Bankert, Richard Selby, Scott Zanger, Ronald Welty and Samuel Long. The program will be discussed and voted on at the next regular meeting of Tuesday, January 12. The action will be in the form of a bylaw change.

The Jaycees will meet at the Community Center next Tuesday at 7:15 p.m. and go to the union preaching mission service in St. Paul's Lutheran Church as a group. Wives and families are invited to attend the service with the Jaycees.

Two members of the local Junior Chamber, National Director Richard Selby and Chapter President S. Kenneth Ogg, received a certificate of attainment for completing the community planning course given by Pennsylvania State University.

HOLIDAY SCHEDULE

Monroe J. Stavelly, Littlestown postmaster, has announced that no window service will be available and no regular deliveries will be made from the local post office on Friday, New Year's Day; however, mail will be received and dispatched as usual and special deliveries and perishables will be taken to their destination. The regular Saturday schedule will be observed.

PLAN VFW PARTY

Mason and Dixon Memorial Post No. 6964, Veterans of Foreign Wars, will hold its annual New Year's Eve party at Bankert's Restaurant, N. Queen St., from 9 to 1 on Thursday. Hats and noisemakers will be furnished. Reservations are in charge of Edgar W. Wisotzkey.

STORES TO CLOSE

A majority of the community stores, places of business and factories will be closed on Friday, New Year's Day. The usual hours will be observed on Saturday.

CANCEL REHEARSAL

The Junior Choir of St. Paul's Lutheran Church will not rehearse Thursday or January 7. Members of the choir are requested to report to the church at 7 p.m. on January 7 to sing during the community preaching mission service.

Warriors Lose To Alumni In Overtime 50-43 Before Near-Capacity Crowd

After years of frustration, the Alumni cagers took the measure of the Gettysburg High varsity 50-43 in an extra period Tuesday evening before approximately 1,000 fans.

The score was tied 38-38 at the end of the regulation time and then the Alumni took complete control, pouring six goals through in the three-minute overtime while the Warriors were limited to five foul conversions.

It was a well-conditioned Alumni team who showed form reminiscent of when they wore varsity livery. Mark Eckert and Dick Crist exhibited the same deadly accuracy as in their high school days while Johnny Longanecker, Eddie Tilberg and Tom Duane were also big contributors to the triumph.

Once again the Warriors lacked accuracy from the field, miffing many comparatively easy shots. They held the edge in rebounding but could not capitalize.

ALUMNI SETS PACE

Denny Herring scored for the high school after 47 seconds and from then until the final seconds of the second period the Warriors trailed the stars of yesterday. At the end of the first period the Alumni led 13-9 and boosted that lead to 17-9 on goals by Eckert and Duane in the first 2:15 minutes of the second quarter.

The Warriors spurred at that point on goals by Chris Folkemer, Denny Herring and Dick Finkboner before Crist hit from the side to enable the Alumni to lead 19-15 with 1:40 left. Finkboner connected on another long shot and Tony Bushey flipped in a one-hander to tie the count with 30 seconds remaining. At the buzzer Kit Richardson scored from underneath to put the Warriors on top 21-19.

Three quick goals by Crist, Duane and Tilberg sent the Alumni to the front 25-21 in the first three minutes of the third frame. After Mike Herring netted a foul for high school, Crist went in for an underneath shot. Mike Herring netted a long shot and Richardson a short shot as the teams battled on even terms with the Alumni on top 33-30 at the close of the stanza.

THRILLING FINISH

After Dave Jones netted a foul for the Alumni, the Warriors went ahead 36-34 on successive goals by Finkboner, Richardson and Denny Herring at the midway point. Eckert tied the score with a shot with 3:08 left. At the 2:09 mark Tony Bushey hit from the corner to put the Warriors on top but Crist tied it with 1:20 remaining and neither team could score again.

Crist, Eckert, Duane and again Eckert landed goals for the Alumni in the first 1:38 over the extra period and that was the game. The Warriors' only points of the round were by Folkemer's foul shot and a pair each by Finkboner and Bushey.

Eckert and Crist carried the attack for the winners with 18 and 15 points. Richardson was high for the Warriors with 12.

The Warriors will be idle until Friday, January 8, when they meet Newport here in a Blue Mountain League game.

5 ROOKIES ON EASTERN A.F.L. ALL STAR TEAM

NEW YORK (AP) — Coach Lou Saban will be relying on five rookies when he sends his Eastern Division American Football League All-Stars against Sid Gillman's Western squad at New Orleans' Sugar Bowl Jan. 16.

The East has rookie running backs Matt Snell of New York and Sid Blanks of Houston along with Buffalo's Jack Kemp, Elbert Dubenion, Cookie Kilchrist and Boston's Babe Parilli in its backfield.

Other first-year men on Saban's squad are center Jon Morris of Boston, and defensive cornerbacks George Byrd of Buffalo and Pete Jaquess of Houston.

STATUS OF JOE NAMATH IS PUZZLE

By KESLO STURGEON
Associated Press Sports Writer
MIAMI, Fla. (AP) — Texas football coach Darrell Royal is worried about the crash Orange Bowl program Alabama's national football champions put into effect when quarterback Joe Namath reinjured his troublesome right knee.

Royal, who will be trying to keep Texas' perfect record against Alabama just that in the New Year's Day classic, said the status of Namath has him guessing about what to expect.

Alabama Coach Paul Bryant said Royal, who coached his Longhorns to last year's national championship, has nothing to worry about as far as trying to guess what he will do. "This thing just happened too late to change much," Bryant said.

HURT HIS KNEE

Namath, who will sign a professional football contract with the New York Jets of the American Football League Saturday for approximately \$389,000, hurt his knee during a routine workout Tuesday.

"If Namath is needed, I'm sure he will be able to play," said Alabama trainer Jim Gocette. "The injury is painful but is nothing like what happened to him the other two times he hurt it."

But Bryant said he is getting ready for the game on the assumption that Namath will not be able to play even a single minute. He will start Steve Sloan, also nursing a bum knee, at quarterback, with untested Wayne Trimble waiting in the wings.

TOPS ON DEFENSE

"We have nothing but respect for Texas," Bryant said. "They've got a solid, sound, well-coached team that stacks up favorably with Auburn defensively." Auburn was one of the best defensive teams in the nation this year.

"We've made a few adjustments because Namath won't play, but we just don't have the time to do an awful lot," Bryant said. "This puts a lot more pressure on our defense, but the boys on that unit have always been able to come up with the saving plays this year."

There was good cheer in the Texas camp Wednesday as Royal watched injured wingback Phil Harris put in a light workout showing little, if any, signs of a pulled leg muscle.

NO ALABAMA WINS

"If Harris isn't ready to go, it would make a lot of difference in our offense," Royal said. "We're playing the national champs and it will take everything we've got to beat them."

The Orange Bowl game will be the sixth meeting between the two schools and Alabama never has been able to beat Texas. Alabama puts a spotless 10-0 record on the line against the Longhorns, who are 9-1, with only a one-point loss to Arkansas to mar their record.

Form New Track And Field Group

HARRISBURG (AP) — Pennsylvania has a new Track and Field Association today with Dr. Campbell Snowberger of Slippery Rock State College as its first president.

Organization of the group was finalized Tuesday to promote track and field and the general physical fitness of men and women at all educational levels in the state.

Arthur Gentile, head of the Greater Philadelphia Track Coaches Association, was chosen vice president of the new group, while Helen Keiser of Lewisburg Joint High School was elected secretary-treasurer.

John Lucas, track coach at Penn State University, was named editor-in-chief of a proposed new publication to be called "Track and Field Review."

has one freshman on his West team — fullback Mack Lee Hill of Kansas City.

In addition to Hill, the West has Clem Daniels and Billy Cannon of Oakland, Abner Haynes of Kansas City, and Keith Lincoln of San Diego to handle the running. San Diego's Lance Alworth is Gillman's flankerback and Len Dawson of Kansas City and John Had of San Diego are the West's quarterbacks.

Pitt Wins 33rd Mat Tournament

WILKES-BARRE, Pa. (AP) — University of Pittsburgh has scored 47 points to win the team title in the 33rd annual Wilkes Open Wrestling Tournament.

Navy's Wayne Hicks was named outstanding wrestler by coaches and officials in the competition, which ended Tuesday. He also won the trophy for most pins in aggregate time.

Lock Haven finished second in the team competition with 42 points, followed by East Stroudsburg 41, Temple 36, Bloomsburg 34, Waynesburg 34, Lycoming 26, New York Athletic Club 22, Navy 21, and Ohio State 20.

John Rushatz, unattached, wrestling for Lehigh, had a total of 18 points to win the trophy for individual high point man in the tournament.

CANNERS ARE DEFEATED BY AULMNI 57-42

The Alumni dominated play practically the entire way as they downed the Biglerville High cagers Tuesday evening 57-42.

Dick Dull got the ex-Canners off to a fast start with a pair of goals and they led throughout the first half, being in front 27-23 at half time.

Biglerville's varsity moved ahead 28-27 early in the third period and the score remained close with the third quarter ending with the Alumni on top 43-35.

Throughout the final quarter the Alumni were in command and were never in danger.

SANNI GETS 16

Bill Sanni and Barry Trostel scored in double figures for the winners with 16 and 10 points, respectively. The Alumni converted nine of 12 fouls as compared to 14 of 26 for the varsity.

Bill Bonish and Jim Taylor rimmed 14 and 11 tallies for the Canner regulars.

In a girls' preliminary the Alumnae triumphed 34-13 as Sue Davis and Carolyn Haas combined for 27 points. Pat Kane was top scorer for the high school with four.

Biglerville will resume Blue Mountain League action on January 8 at Boiling Springs.

SIX CANNER MATMEN WIN IN TOURNEY

Six Biglerville High School wrestlers advanced to today's semifinals in the fourth annual Northern tournament at Dillsburg by gaining victories in preliminaries Tuesday evening.

Winning via decisions to move up were Jim Bosserman, 103; Don Taylor, 120; Greg Dixon, 138; Mel Mentzer, 145; and John Pitzer, 154.

Terry Taylor was moved from the 165-pound class to the 180 and registered a fall in his opening event.

An exhibition class, not counted in team scoring, was the 90-pound affair and the Canners' Steve Keller won his first match.

Cumberland Valley placed eight boys in the semifinals while Big Spring and Middletown placed six in addition to Biglerville. Carlisle moved five and Northern and Central Dauphin four each.

The semifinals were scheduled to start this afternoon at 2 o'clock. Finals will begin this evening at 7.

NAMATH GIVEN RICH OFFER BY JETS; DALLAS SIGNS RHOME

By MIKE RATHET
Associated Press Sports Writer
Alabama quarterback Joe Namath has been offered \$389,000 to sign with the New York Jets of the American Football League. In 1947, with that kind of money, you could have bought the Detroit Lions — twice — and still received \$69,000 change.

The astounding offer to Namath, a major target in the multi-million-dollar pro football signing war between the National and American Football leagues, was revealed to The Associated Press Tuesday in Miami by sources close to Namath and the Jets.

At the same time, another passing whiz, Tulsa's Jerry Rhome, signed with Dallas of the NFL although he was offered more money by the AFL's Houston Oilers.

WILSON HAS TWO

And Georgia's All-America tackle, Jim Wilson, wound up with two contracts — one from each league.

All three cases bore the mark of the highest bidding war in pro football history — hard to believe.

First there was the offer made to Namath for \$100,000 a year for three years plus a new limousine and other bonuses totaling in the neighborhood of \$90,000. That would make the son of a Beaver Falls, Pa., gas station attendant the highest priced rookie ever.

Could that really be the price was the first question posed?

"WE'LL PAY MORE"

"It's more than that," said a spokesman for the St. Louis Cardinals, who asked not to be identified.

"We'll pay more to get him than has ever been paid for a rookie," admitted Coach Weeb Ewbank of the Jets. "We expect to get him."

Namath's signing is expected to be announced this weekend after Alabama meets Texas in the Orange Bowl game Friday night.

Rhome was a future pick in both leagues and had been traded to Houston by the Jets in turn for the rights to Namath. Rhome said the Oilers had offered him more money but "I want to play in the National Football League, which is stronger than the AFL."

MAY LAND IN COURT

Rhome's contract with the Cowboys stipulates he cannot be sold or traded for the first year. So he will be in Dallas, battling veteran Don Meredith and rookie Craig Morton for the quarterbacking job.

Where Wilson will be, however, just might be a question for lawyers to decide.

Drafted by Boston of the AFL and San Francisco of the NFL, Wilson apparently signed a contract with the Patriots on Aug. 25 — the league office says it has the contract — and then signed with the 49ers after the Sun Bowl game last Saturday.

"NO UNDUCE PRESSURE"

Vince Dooley, Georgia coach, said the university plans to protest to AFL Commissioner Joe Foss because Wilson signed while he was still in school and said representatives of the Boston club no longer are welcome on the Georgia campus.

"I don't blame the Georgia coach for being upset," said Patriots' President Billy Sullivan. "But I don't think it was our responsibility to notify the coach. That was the player's responsibility. There was no undue pressure on this boy to sign."

PICCOLO TO BEARS

Sullivan also said, "We have notified San Francisco that we have a signed contract... we are assuming they didn't know we already had a signed contract."

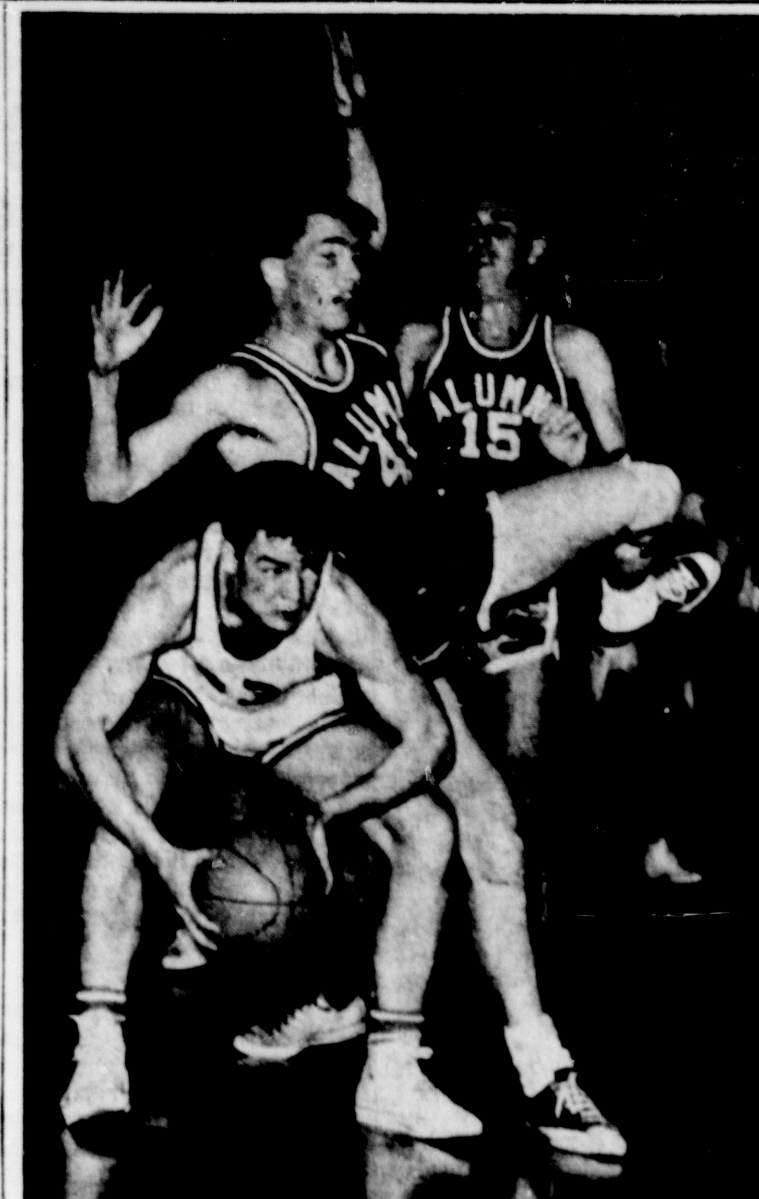

There was one other big name signing — Wake Forest fullback Brian Piccolo going with the Chicago Bears. Piccolo, the nation's leading college scorer and ground gainer, was not picked in either the NFL or AFL draft and was a free agent.

TV CAMERAS REVEAL THIEF

SYRACUSE, N.Y. (AP) — The television coverage of the Cleveland Browns' dressing room Sunday after the Browns' 27-0 victory over the Baltimore Colts and an alert viewer here has resulted in the recovery of a prized football.

Police said Tuesday they have recovered the game ball presented to Browns quarterback Frank Ryan. The ball was taken from Ryan's locker during the post-game celebration.

Officers said they retrieved the ball from a 16-year-old Syracuse youth who was recognized in the Browns' dressing room by a Syracuse man watching the

Fans Bring Fines For Soccer Clubs

MILAN, Italy (AP) — Three Italian major league soccer clubs were fined Tuesday night because home-town fans tossed snowballs, bottles and other handy objects at officials at weekend games. The fines were ordered by the Italian League.

The biggest fine, \$560, was levied against the Roma team. Fans threw bottles at the referee. Milan beat the Roma team 2-1.

DELONE ROCKS TRINITY IN CPCL OPENER

Delone Catholic got off to a brilliant start in opening the Central Pennsylvania Catholic League season Tuesday evening by clobbering Trinity at McSherrytown 91-43. Trinity is playing its first season in the league.

Coach J. T. Flaherty's Squires put on a blistering offense with 11 of 12 players contributing to the scoring.

Delone raced off to a 32-15 margin in the first quarter and there was never any doubt as to the final outcome. At half time the score was 46-23.

Jim Roth led the Squires with points and Phil Staub was right behind with 19. Also hitting in double figures were Jim Cummins and Steve Garvick with 10 each.

Top man for the Shamrocks was Rick McLane with 14. The Delone jayvee had an equally easy time in the preliminary on its 71-39 romp.

Delone, 4-2 overall, will meet the Owls at Westminster Saturday evening.

When the viewer heard that the ball had been stolen, he told police of seeing the youth in the dressing room. The boy admitted having the ball when he was approached by police.

Officers said they planned to send the ball to Ryan, who has returned to his home in Fort Worth, Tex.

No charges were planned against the youth.

Wichita Loses To St. Joe's; Coach Complains About Noisy Fans And Officiating

By MIKE RATHET
Associated Press Sports Writer
Wichita basketball coach Gary Thompson didn't fly a kite but the way he figures it he got a bigger shock in Philadelphia than Ben Franklin.

"This is the last time I'll come here," Thompson said Tuesday night after his second-ranked Wheatshockers were beaten by 10th-ranked St. Joseph's, Pa., 77-69 in the championship game of the Quaker City Basketball Tournament.

Thompson's complaints were about the fans and, of course, the officiating.

23 PERSONAL FOULS

"I don't have rabbit ears," said Thompson, "but some of the things that were said were pretty bad. The fans are too loud."

As for the officials, Thompson said they were "not consistent in their calls. I disagree with the tempo. There is more body contact here than in the Midwest."

The Wheatshockers had 23 personal fouls called against them by referees John Stevens and Jim Lennon to 10 for St. Joseph's — an actual loss the game at the foul line. Each team connected for 28 field goals but the Hawks made 20 of 29 foul shots to 13 of 15 for Wichita.

SECOND UPSET

The upset was the second in two nights pulled off by the Hawks, extended their unbeaten string to 10 and continued local mastery of the 4-year-old tournament. St. Joseph's also won the tournament in 1962 while

BERMUDIAN IS 64-51 VICTIM OF ALUMNI 5

A strong second half carried the Alumni to a 64-51 victory over Bermudian Springs Tuesday evening at York Springs.

The teams were deadlocked at the close of the first period 11-11 and at the end of the half the Alumni held a scant 26-25 edge. Displaying a balanced attack, the Alumni began pulling away in the third period and held a comfortable margin the rest of the way.

Spearheading the Alumni were Craig Hoke with 17 points and Joe Wolf with 14. Tom Myers rimmed 16 for Bermudian and Dudley Wolf added 11.

The Bermudian jayvees downed a faculty team in the preliminary 52-39.

Next Tuesday the Eagles will meet Fairfield at York Springs in an Adams-Franklin League game.

DENY PRIEST DISCIPLINED BY CARDINAL

CHICAGO (AP) — The Rev. John V. Coffield came to Chicago Monday night to start his self-imposed exile from the Los Angeles Catholic archdiocese in protest against what he termed a scandalous racial situation.

Father Coffield, 50 and a Roman Catholic priest in Los Angeles 24 years, said in a brief statement:

"It would be extremely bad taste for a priest to publicly disagree with his cardinal, except that the position of Negroes in Los Angeles is so scandalous that I stand by the statement I made there."

Father Coffield said in Los Angeles he had obtained a three-year leave of absence in protest against California's abolition of antidiscriminatory housing laws and against his silencing by his cardinal on the race issue.

DENY DISCIPLINE

He said at a news conference that James Francis Cardinal McIntyre, archbishop of Los Angeles, told him "I should not speak on race."

The chancery office in Los Angeles in a statement said no administrative discipline had been imposed on Father Coffield.

The priest said that he had been ordered in June to take a five-month "enforced vacation" because he had spoken out against a proposition which prohibits open occupancy laws in California.

"On Nov. 14th, I was ordered to maintain a silence on racism," he said. "I choose instead a self-imposed exile from the diocese as a gesture of protest against, and rather than be a part of, the continuing evil of silence."

Msgr. Francis W. Byrne, chancellor of the Chicago archdiocese, said he had been advised that Father Coffield had received permission a week ago from Cardinal McIntyre to

SAYS FLYING BY FLAPPING IS FOR BIRDS

By THE ASSOCIATED PRESS

By STAN BENJAMIN
SEAFORD, Del. (AP) — Flying by flapping your own wings is for the birds, but it may not be much longer.

A practical-minded scientist named John S. Seney, 50, of Seaford, and a college junior, Stephen Moore, 19, of Fairfax, Va., have set out to determine whether or not the age-old dream of man flying like a bird can be made a reality.

Seney and Moore are hoping that electronic instruments, and a bird — a buzzard named Leonardo — will teach them how. Leonardo gets his name from the many-sided genius, Leonardo da Vinci, who tried, but failed, to solve the challenge of flight back in the early 16th century.

LITTLE EFFORT

The odd thing, as Seney sees it, is that so little effort has been made in modern times to follow up Da Vinci's idea.

"Steve contacted the Langley Field people, the biggest flight development center in the world, and consulted their librarian, and we just couldn't find anything on the actual dynamics of bird flight."

That's where Leonardo the buzzard flies in.

Seney, who heads the electro-mechanical research laboratory of the DuPont Company here, plans to start Leonardo flying while electronic instruments and high-speed cameras record how he does it and how hard he works at it.

Then the experts, medical and mechanical, will be asked to analyze the anatomy of a healthy young man — Moore — and help figure out what he could do to convert his strength into effective wing-flapping.

U. S. EXPORTS NEAR BILLION IN SOME ITEMS

By OVID A. MARTIN

WASHINGTON (AP) — U.S. exports of oilseeds and oilseed products — soybeans, cottonseed, soybean and cottonseed oils and meal — may reach the billion-dollar mark during the current marketing year ending next Oct. 1.

Foreign sales during the past season set a new record of \$852 million.

The nation's textile industry is using its influence to win congressional extension of the government's present cotton stabilization program.

Under this program, textile mills get government payments designed to enable them to buy cotton at the same prices paid by foreign buyers.

WASHINGTON (AP) — The Constitution doesn't require presidents to hold news conferences but President Johnson, like his predecessors, is holding them. His are different from theirs.

No one can say his way isn't working out well for him, 13 months after he took office, since at this point it isn't clear why Johnson thinks it's necessary for him to be different.

But there's a pretty good explanation for why his way hasn't caused him trouble. He hardly ever says anything that would. Conflicts set up roadblocks and so far Johnson seems to be making a career of not creating them.

MOST NONCONTROVERSIAL

In this sense he is up till now the most noncontroversial president since Calvin Coolidge.

Presidents Franklin D. Roosevelt, Harry S. Truman, Dwight D. Eisenhower and John F. Kennedy all held so-called formal news conferences, Eisenhower less often than the others.

The formal kind is announced long enough before time for all the newsmen in Washington to go, if they want to. There the president is wide open to any kind of question and his answers become a matter of record.

This serves the double purpose of letting the president get his ideas out to the public while letting the public get a close-up look at him.

Kennedy, the first to hold news sessions on live television, did a brilliant job. This helped build up the popularity of a man who had won the presidency by a hair in 1960.

Roosevelt thought he got as

American Textile Manufacturers Institute said the industry is having a prosperous year, thanks to the payment program which went into effect last April. The program will expire at the end of 1965 unless renewed by congress this year.

"For the first time in many years the textile economy is keeping pace with the nation's over-all economy, sharing the benefits stemming from a faster climbing population, more employment and rising incomes," the statement said.

The domestic beet sugar industry will enter the new year with enough sugar beets yet to be processed from this year's crop to fill its 1965 quota share of the U.S. market even if it grows not a single beet.

The Agriculture Department said in a report that the industry will have an inventory of about 1,675,000 tons on Jan. 1 and an additional 1 million tons to be processed from beets. This would add up to a total supply of about 2,675,000 tons or slightly more than the 1965 quota for the domestic beet area.

much good from the newsmen's questions as they did from his answers. He used to hold two conference a week.

Johnson has almost entirely eliminated the formal kind of meeting with the press.

In Washington he usually, and suddenly, calls together the newsmen assigned to cover him and trots around the White House grounds with them, answering them as he goes.

INFORMAL CALLS

The suddenness of this peripatetic conference leaves out scores of newsmen who would like to be present if they knew there was going to be a conference on-the-trot. Their absence also limits the number of questions that are asked.

Or Johnson calls in reporters at the White House or his ranch, either individually or in selected groups or just those who happen to be around, and then talks to them in one of three ways.

1. On the record, meaning anything he says can be attributed to him.

2. Off the record, meaning nothing he says can be used.

3. Background, meaning what he says can be used so long as the reporters don't say he said it. This can have strange, almost weird results.

BAFFLING TO MANY

Instead of being able to say what they write came from Johnson himself, they say the President thinks or hopes this or agrees or disagrees with that. This makes them look like a bunch of mind readers.

Or, instead of using the device just mentioned, they can say the President is considering doing something, according to sources close to him.

If all this is baffling to newspaper readers, it's equally baffling to reporters who weren't at one of these background conferences and have to read about them later.

BIG MIXUP AHEAD

On Sunday he held a backgrounder and the Monday morning papers were full of what he said he had on his mind although the stories didn't say he said it. And Monday, perhaps for variety, he tried it a couple of ways.

Part of what he said could be attributed to him and part couldn't. It's unlikely this can go indefinitely without a big mixup some day.

WASHINGTON (AP) — The world was still sticky in 1964 but at home there was steady movement forward and the air was cleared a bit, politically and otherwise, leaving President Johnson to face his first full term at ease on many issues.

Overseas the Berlin wall still stood, a reminder that East-West differences were as stiff as cement. But the United States and the Soviet Union accommo-

dated themselves a little better to the idea that both have to live on one earth.

The Congo was a mess but there was an even worse mess in the American-backed war against communism in Viet Nam.

LIKE POKER GAME

Egyptian President Nasser, like others this year, rebuffed the United States. He said anyone who didn't like Cairo's attitude could "drink from the sea," an Egyptian way of saying "go to hell."

The 15-member NATO alliance stayed intact but the partners began to feel free to cut their individual cards, now that danger from the Soviet Union has dwindled. It was like a poker game with 15 decks of cards.

The grunts and groans coming out of the split between those one-time allies, the Soviet Union and Red China, added little to enlightenment. They sounded like a couple of used-car salesmen trying to convince a customer on a washboard road.

SOFT SHOE ACT

The new men in the Kremlin, ever since throwing out Premier Khrushchev, have been shuffling around in a kind of soft-shoe act, waiting for the music to start.

The west doesn't know what they'll do, what direction they'll take, or whether Khrushchev's departure was a turning point in history.

But at home the economy was booming for a record fourth year in a row. To pep it up even more Congress gave it a blood transfusion with the biggest tax cut in history.

GRADUAL MELTING

In the long view the achievements in the field of citizens' rights, civil and political, perhaps will be most memorable.

In a year in which three civil rights workers were murdered in Mississippi and Negroes rioted in Northern cities, Congress passed the most far-reaching civil rights act of the century.

Then, with extraordinary speed, the Supreme Court sup-

ported it a couple of weeks ago by upholding the new law's ban on racial discrimination in places of public accommodation, like hotels, or motels, or restaurants.

Gradually opposition to desegregation was melting. It was the court which started the melting with its decision against public school segregation 10 years ago.

MEMORABLE YEAR

But, even without the civil rights ruling, the court would have made this a memorable year. For half a century injustice had been piling up in the states where city people were getting less representation in state legislatures than country people.

Neither Congress nor the legislatures would correct it. The Supreme Court stepped into this vacuum of responsibility and ordered reapportionment so that each man's vote means as much as any other's.

But it was the presidential election which settled, for years to come, the direction this country will take.

CLEAR CHOICE

Because Democrats and Republicans for decades looked like twins, the presidential races began to resemble personality contests rather than different views of life and government for voters to choose between.

This year the voters got a clear choice between the conservative Sen. Barry Goldwater and the much more moderate Johnson. The President won with the greatest plurality in history, 43 million to 27 million votes.

As a result, the two parties' candidates for a long time are likely to be liberals or at least middle-of-the-roads.

The poinsettia, unlike such ancient Christmas symbols as holly and mistletoe originated in tropical America. Joel Robert Poinsett, U. S. minister to Mexico in 1825, so admired the wild plant that he brought the first specimens to the United States.

AUTHOR FACES CONTEMPT IN QUEBEC COURT

QUEBEC (AP) — The Quebec government will take contempt action against Montreal author Jacques Hebert because of passages in his book, "J'Accuse Les Assassins De Coffin" (I Accuse The Assassins Of Coffin).

Attorney General Claude Wagner told a news conference the action was taken at a cabinet meeting Tuesday.

Publication of the book led to creation of a Quebec Royal Commission a year ago and the inquiry report handed to Wagner earlier this month concluded Hebert's contention that Wilbert Coffin was railroaded to the gallows by government and police officials was largely unfounded.

HANGED IN 1956

Coffin was hanged in 1956 for the murder of one of three bear hunters from Hollidaysburg, Pa. They were killed in the Gaspe Peninsula three years earlier.

A number of police officers and officials named in the book are suing Hebert for a total of \$120,000.

Following establishment of the Coffin commission, Hebert published the book in English with the title, "I Accuse Coffin's Assassins."

NAME EDITOR ALSO

Wagner said a contempt action will be launched by the government also against Jean-Luc Lacroix, editor of the weekly Quebec Journal.

Justice Roger Brossard said in his report made following Coffin commission hearings that he thought Lacroix should be held in contempt for articles that appeared in the weekly while the report was being drawn up.

Wagner said the government court petition will require Hebert to say why he should not be held in contempt of court for passages dealing with such persons as Judge Gerald Lacroix who sentenced Coffin to be hanged following his murder trial, as well as references to Supreme Court judges.

RECTOR PAYS \$227 IN FINES

PHILADELPHIA (AP) — The Rev. William Vaughn Ischier Jr., rector of Christ Episcopal Church, has paid \$227 in fines for 21 parking tickets and one moving violation dating back to 1962.

"The law is made for all of us," Chief Magistrate John Patrick Walsh said Tuesday in announcing the fines.

The Rev. Ischier told Walsh before the hearing that the violation occurred while some of his parishioners were using his car. He added that he had received none of the summonses.

Father Ischier was arrested at 3:30 A.M. Dec. 7 at the church rectory on warrants alleging that he had ignored the traffic summonses.

"The constables did not use good judgment in taking you out of your home," Walsh said Tuesday. "I am truly sorry for that. And because they used bad judgment, I am going to take \$44 from the constable costs. Instead of fining you \$271, I am going to fine you only \$227."

MOUNT STERLING, Ky. (AP) — Sheriff John Miller says some vandals dug up two mail boxes and a small billboard and placed them in the middle of U.S. 60 east of here.

They also erected a barrel barricade and posted signs detouring traffic around the barricade.

TASTY FOODS AVAILABLE IN GOOD SUPPLY

New Year bells will ring in a bounty of fine foods to grace the family board with emphasis on the tempting delicacies that make pleasing desserts and snacks. Red tart cherries will take feature place on the month's listing of foods the U. S. Department of Agriculture's Marketing Service expects to be in abundant supply.

The star ingredient of ever-popular cherry pies, tarts, pastries and a host of other desserts are available both in frozen and canned form. Frozen cherries are used mainly by bakeries and confectioners, while canned cherries go mainly to consumers. Whether one chooses to buy ready-made cherry products or do their own baking and preparing, cherry-rich dishes make a good choice for menu needs in the weeks ahead.

SEASONAL FRUITS

A pleasing assortment of seasonal fruits will be in ample supply and reasonably priced — apples, prunes and canned figs. Apples promise to highlight the fruit scene throughout this winter, since the over 138-million bushels harvested in 1964 ranks largest since 1939. All favorite varieties share the honors—for cooking, baking and out-of-hand eating.

Prunes and canned figs, those handy shelf items with many uses, have good reason to appear on many shopping lists this January. California's prune production for 1964 ran to some 165,000 tons, compared with 133,000 tons last year. And canned figs supplies for the season totaled 717,000 cases, more than 18 per cent above the quantity marketed last year. These versatile, high energy fruits fit well in winter menu schemes — from breakfast dishes to salads and desserts.

OTHER ITEMS

Canned ripe olives may well go into the shopping cart, too. Record high supplies continue on hand, so homemakers should find them a worthwhile item to give more frequent mealtime uses. Olives have a place in stuffings for poultry and meat, sauces, sandwiches, salad mixtures and the salad plate and in party dips and hors d'oeuvres preparations of many kinds.

Look to broiler-fryers for top main dish features for January. Abundant supplies and attractive prices to consumers are forecast, as marketings will be up from the high levels of a year ago. By all means serve these tender young chickens often — broiled, roasted, fried, in casseroles, salads, sandwiches and many other variations.

BARRY AGREES

WASHINGTON (AP) — Sen. Barry Goldwater, often critical of Secretary of Defense Robert S. McNamara, has praised the Pentagon chief for his proposed merger of the Army Reserve with the National Guard.

He also congratulated McNamara, but with some qualification, on the steps being taken to close down unneeded military bases.

No world leader before the late President John F. Kennedy has been so widely commemorated in geographical terms.

Indians Round Up 'Fifth Column' Reds

NEW DELHI, India (AP) — Hundreds of Communists throughout India were arrested before dawn today.

Prime Minister Lal Bahadur Shastri's government said the Reds had been "preparing for violence" and "acting as a fifth column" — apparently meaning they had been working for Communist China.

The government, which faces a close election contest with the Communists in Kerala State, hauled Red leaders out of bed in closely coordinated raids all across the country.

Emergency Food, Repair Equipment Dispatched To Flood-Stricken States

SAN FRANCISCO (AP) — A mighty force of men and machines shouldered the task today of cleaning up after the West's Christmas week floods, called by the governor of California "a major American disaster."

A massive airlift hoisted food and emergency repair equipment into stricken northwestern California.

Snow and falling temperatures added to the misery of refugees from high water and threatened again to block helicopter delivery of food bundles to hundreds marooned in the high California timber country for the ninth straight day.

500 ISOLATED

Between 400 and 500 persons were isolated in vest-pocket lumbering and mining communities along the Klamath and Salmon rivers in extreme northern California. They have been cut off since Dec. 21. Civil Defense workers said they undoubtedly were getting desperate for food.

Dozens of helicopters were in Yreka, Calif., near the Oregon border loaded for mercy missions but unable to take off because of snow and icing conditions.

"We get a three-hour break in the weather," said Yreka Civil Defense chief Bill Sowle, "and you're going to see the damndest airlift out of here you've ever seen."

DROP SUPPLIES

"This is very, very rugged, mountainous country. In some areas we'll have to evacuate and in others we'll have to drop supplies. We have a report of 14 children in one house at Oak Bottom 70 miles west of here on the Klamath. I'm concerned about those people and I'm concerned about the people on whom we have no reports at all."

Roughly the northern third of California, all Oregon and 14 counties in Washington had been declared a disaster area, enabling the region to receive special government assistance.

Uncounted thousands of men were at work in the three coast states, and Idaho and Nevada, also hit by floods, beginning the restoration of roads and highways, railroad service, and communications and power lines.

HALT PROJECTS

Many northern California contractors halted work on construction projects and sent their men and heavy equipment to the aid of state, county and city crews in the mop-up operations.

California's Gov. Edmund G. Brown made a low-level helicopter tour of part of the stricken area Monday and called the devastation "a major American disaster."

Frank Dryden, deputy director of the Office of Emergency Planning, and other Washington officials inspected flood ravaged areas in both California and Oregon and carried a report on the situation to President Johnson.

"Not a minute is being wasted

U.N. ASSEMBLY HEADS OFF RED VOTE DISPUTE

UNITED NATIONS, N.Y. (AP)—The United Nations General Assembly agreed Tuesday to a plan to wind up its year-end business without a showdown over the Soviet Union's voting rights.

Under the formula, announced to the 115-nation assembly, seats to become vacant on the U.N. Security Council Dec. 31 would be filled by a private pool of delegations, to be conducted by the assembly president, Alex Quaison-Sackey of Ghana.

The Security Council election and adoption of a resolution authorizing some spending after Jan. 1 were the main obstacles to recessing the assembly. It is expected to finish either later today or Wednesday morning and adjourn until Jan. 11.

Quaison-Sackey told the assembly he would conduct the proposed poll in his office, and announce the results during the afternoon.

MOROCCO CONTEST

The only contest was between Jordan and Mali for the seat being vacated by Morocco. The Netherlands, Uruguay and Malaysia were unopposed for the other seats to be filled.

The effect of the recess was to postpone a confrontation between the United States and the Soviet Union over Article 19 of the U.N. Charter, which provides for the loss of voting rights for countries two years in arrears in paying assessments. The Soviet Union and six other Communist countries are in this category.

Diplomatic sources said no progress was made Monday toward settling that dispute. They said Secretary-General U Thant might appeal to the assembly for voluntary contributions to improve U.N. finances, crippled by unpaid assessments.

The sources reported that Quaison-Sackey got the agreement of delegates from Jordan, Mali, the Soviet Union, the United States and others to an informal voting plan.

Delegations would file through Thant's office to drop secret ballots into a box stating their preferences among the candidates for the four council seats that become vacant at the end of the year — the Netherlands to succeed Norway, Uruguay to succeed Brazil, Malaysia to succeed Czechoslovakia and Jordan or Mali to succeed Morocco.

If either Jordan or Mali had something near the required two-thirds majority, the other would withdraw. If they were almost even, they would discuss splitting the two-year term.

in getting reconstruction projects under way," Dryden said.

Join Battle To Save Olmsted Base

HARRISBURG (AP) — Gov. Scranton's Committee of 100,000 for the Promotion of Economic Growth is throwing its weight behind efforts to save the Olmsted Air Force Base in nearby Middletown.

Olmsted is one of many bases throughout the county tabbed by the Defense Department to be phased out of operation within a period of five years.

M. George Mooradian, executive director of the 100,000 Pennsylvanians, said Tuesday, he is urging all members in the 14-county area affected by the Defense Department announcement to join in a letter writing campaign to President Johnson urging reconsideration of the proposed closing.

BAR APPROVES RESTRICTIONS ON CRIME NEWS

PHILADELPHIA (AP) — The Philadelphia Bar Association has approved a series of "guidelines" that propose to restrict the release of information to news media during criminal proceedings.

The statement of Bar Association policy was approved Tuesday by a voice vote of about 700 of the 3,700 association members present at a special meeting.

The motion called for appointment of a special committee to study the proposals further, with the help of law enforcement officials and news media representatives. It stipulated that "no steps be taken to implement the present report until the chancellor's committee has had a fair opportunity to explore the matter further."

The proposals specify: —Which details of a crime may be published and who may release such details.

—Newsmen be denied access to police reports and barred from office of certain public officials.

—Cameras, radio and television equipment be barred from all courtrooms.

—There be no release of information concerning a suspect's police record, or descriptions of loot, weapons, or other "physical artifacts."

BACKED BY JUSTICE

—Newspapers would not publish evidence until it comes out in court and is part of the court record.

—Members of the judiciary and attorneys be constrained from discussing aspects of the cases before and during the trial.

Two former Pennsylvania Supreme Court justices spoke in favor of the proposals at the special meeting. Former Chief Justice Charles Alvin Jones called the approval of the "guidelines" a "step in the right direction" and it is a "noble step."

Former State Supreme Court Justice Thomas D. McBride said:

NO RIGHT TO GATHER
"... They (news media) want to pander to the public so they can sell more newspapers."

"Freedom of the press is the right to print, not to gather news. Newspapers have no more right to barge in on the police or the district attorney

EDUCATORS TO ASK SALARIES OF \$54 MILLION

PITTSBURGH (AP)—Pennsylvania's largest educational organization is proposing a new salary schedule for public school teachers and administrators that would cost the state over \$54 million.

The Pennsylvania State Education Association, which has 76,000 members, says the money for the salary increases will have to be raised through local and state taxes.

A spokesman for the organization, O. James Davis, says the PSEA will ask the 1965 Legislature, which convenes next week, to increase its aid to local school districts.

INCREASE ALL OVER

The salary proposal calls for salary increases in all teaching categories with the exception of the beginning classroom teacher which would remain at \$4,500.

The PSEA approved the new salary schedule Tuesday night during its three-day convention in Pittsburgh. The 112th annual gathering winds up today. It has attracted some 2,000 persons.

Davis, of Reading, the PSEA's legislative committee chairman, said the price tag on the proposed salary schedule is about \$54.5 million.

The proposal would set new minimums for half of those school districts now operating on state-established salary minimums.

Big school districts such as Pittsburgh or Philadelphia would not be affected immediately.

Davis said an increase from the present support of \$6,800 per classroom to \$7,500 would carry the cost of the program.

The proposed salary schedule "is intended to reflect both time on the job and the responsibility of administrative positions."

Earlier in the day, John W. Struck of the Department of Public Instruction said expansion is planned on vocational education correlated to employment needs.

"Vocational education will be made available to more of the total of the population and will be less restrictive than in any time in the past," he said.

ENDANGER CONTROL

In another talk, the associate dean of the school of education at the University of Pittsburgh said some trends in education are cutting into the role of school principals and are endangering local control over subject matter.

"Unless the principal stands his ground resolutely against testing programs, national curriculum bodies, national regional television programming, local control of the school curriculum may rapidly become a legend," Richard Wynn said.

Although television, teaching machines and tests are making worthwhile contributions to education, he said, they must be

than any other citizen. The only reason they aren't thrown out is that they are powerful and have long memories."

McBride said it was in the public interest that no man get less than a fair trial and the newspapers were attempting to make that "impossible."

PLEADS GUILTY TO MURDERS OF 2 POLICEMEN

FREDERICKSBURG, Va. (AP)—Bruce Walter Leikett, 26, an ex-convict from Detroit, has pleaded guilty to murder in the slayings of two Fredericksburg policemen.

Leikett pleaded guilty Tuesday to a charge of murder in the death of patrolman William F. Mines when he was arraigned following indictment by a special grand jury.

Afterwards, one of Leikett's attorneys asked Judge S. Bernard Coleman for permission to change to a plea of guilty in the slaying of Sgt. Roy G. Wright.

CONVICTION UPSET

Leikett was condemned to death Oct. 30 for the death of Wright, but the conviction was overturned within a few days because of a court error. Coleman granted Leikett a new trial on the grounds that he had erred in answering a question from the jury in the absence of the defendant.

Wright and Mines were killed May 5 behind a Fredericksburg shopping center. Each had been shot several times. Leikett was arrested three days later in a Detroit suburb following a high speed police chase which ended when the car Leikett was driving collided with another.

Under questioning from the bench Tuesday, Leikett said he understood that conviction of first degree murder could mean death or a prison sentence ranging from 20 years to life. He said he was making the plea voluntarily and that he had received no promises.

BRONXVILLE, N.Y. (AP) — Cliff Sterrett, 81, retired King Features Syndicate cartoonist who created the comic strip "Polly and Her Pals," died Tuesday of cancer. Sterrett joined the old New York Journal in 1912 and created the comic strip and continued it for nearly 40 years. He was born in Fergus Falls, Minn.

PASADENA, Calif. (AP) — Charles E. Crede, 51, professor of mechanical engineering at California Institute of Technology, died Tuesday after a long illness.

HUMPHREY TO GIVE STRAIGHT REPORT TO LBJ

By JACK BELL

WASHINGTON (AP) — Vice President-elect Hubert H. Humphrey says he plans no recommendations for additional legislation when he reports to President Johnson on proposals to coordinate the administration's civil rights efforts.

Humphrey said he plans to give his report to Johnson this weekend and that it will contain only suggestions on how to make administration actions more effective in the civil rights field.

The vice president-elect, who resigned Tuesday as a senator from Minnesota, said in an interview that he has held a number of conferences on what Johnson calls the antipoverty program.

MOVES CAUTIOUSLY

He indicated he is moving cautiously in this field until Johnson outlines what he wants in messages to Congress. The President has asked him to serve as a coordinator of both programs.

As a prospective full-time operator for Johnson in several fields, Humphrey's biggest problem at the moment is to find space in the Capitol building from which to carry on his forthright duties as presiding officer of the Senate.

ASSIGNED SUITE

Johnson has assigned him a four-room suite in the Executive Office Building next door to the White House. Humphrey has a small suite in the Senate Office Building but as yet he has been unable to wrangle any conference room space in the Capitol. Johnson had several conference rooms there when he was vice president.

Although Humphrey is expected to be key in on all major administration programs, he is likely to proceed cautiously as the President's spokesman in Congress. Senate and House leaders have a way of preferring to interpret White House requests for themselves. Humphrey probably will work closely with them, but give advice only when it is asked.

SECURITY COUNCIL
By law, Humphrey will become a member of the National Security Council. As such he will be continuously informed on foreign policy matters. Secretary of State Dean Rusk is expected to assign a high-ranking department official to fill in Humphrey periodically, as he did Johnson.

Humphrey has been designated to head the President's Committee on Equal Employment Opportunities. His job is to eliminate racial discrimination in the fulfillment of government contracts and in government employment.

All of this looks exciting to Humphrey, who is regarded as particularly adept at pulling new ideas out of the air and refining them into programs.

But there is one drawback. The vice president-elect, a voluminous speaker in the Senate, has lost his forum. He will have to await Johnson's signal to break this newly enforced silence.

100 Extra Police For Holiday Duty

HARRISBURG (AP) — Some 100 newly graduated state police troopers will help reinforce coverage of Pennsylvania's roads and highways over the long New Year's weekend.

State Police Commissioner E. Wilson Purdy said Tuesday maximum traffic coverage will be maintained from 6 p.m. New Year's Eve until midnight Sunday.

COUNCIL SAYS FEWER ENROLL IN SEMINARIES

WASHINGTON, D.C. — Attendance at Lutheran seminaries has declined for the third consecutive year, it was reported here by the National Lutheran Educational Conference.

Enrollment at 18 Lutheran theological schools during the current academic year of 1964-65 totals 3,964 students, including 80 women, according to an annual survey by the NLEC. A high of 4,248 seminarians was recorded in 1961.

Reasons for the steady decrease have not been explored in depth, but Dr. Gould Wickey, NLEC executive director, said it could probably be attributed to such factors as increasing secularization of society, low ministerial salaries and a lessening of emphasis by parents and pastors in the encouragement of youth to enter the ministry.

Dr. Wickey announced that Lutheran educational institutions in the United States and Canada had 88,122 students enrolled at the end of October, 1964. In addition to the seminarians, there were 63,814 students at 37 Lutheran colleges and universities, 4,381 at 18 Lutheran junior colleges and 15,963 in 46 Lutheran high schools.

The enrollment increase over 1963 at Lutheran colleges and universities, he pointed out, is higher than the national average for private schools.

Enrollment at the Gettysburg Seminary is listed at 172, 135 of whom are undergraduates. Gettysburg College has a current enrollment of 1,972.

SAY LBJ WANTS ELLINGTON IN AGRICULTURE

By OVID A. MARTIN

WASHINGTON (AP) — Reports circulated today in political, government and farm circles that President Johnson will name former Tennessee Gov. Buford Ellington as secretary or undersecretary of agriculture.

Some sources said Ellington may be named to a high advisory post at the White House. The Federal Bureau of Investigation reportedly was making a check on him of the type that is routine for possible appointees to high government posts.

VISITED RANCH

Ellington returned to Tennessee Tuesday night after visiting Johnson at his Texas ranch. He said he usually makes such a visit during the holidays. In reply to a question, he said he had no plans to leave Tennessee at this time.

The White House has not commented on the possibility that Ellington might take a federal post.

As for the Agriculture Department possibilities, neither Secretary Orville L. Freeman nor Undersecretary Charles S. Murphy has indicated any intention to resign. Nor has Johnson given an indication that he wants either of them to quit.

FARM BACKGROUND

Ellington, 57, is a Democrat and has a farm background. He was reared on one, operated one, and served as Tennessee's commissioner of agriculture from 1953 to 1958. He was elected to a four-year term as governor in 1958.

Four years ago he figured in speculation about appointment as secretary of agriculture in the Kennedy administration. He said then he intended to serve his full term as governor.

RAIL EXECUTIVE

Ellington now is an executive of the Louisville & Nashville Railroad. He worked actively for Johnson in the Southeast during the recent presidential campaign.

At the Agriculture Department, top officials said they believed that Johnson will keep both Freeman and Murphy.

But some farm leaders with close connections in Ellington's home state said they believe that if he came here it would be as secretary of agriculture.

At one time Ellington was associated with activities of the Farm Bureau, the big farm organization which has been highly critical of farm policies advanced so far by the Kennedy-Johnson administration.

LBJ HAS MANY OFFICIALS ON EDGE FOR JOBS

By RAYMOND J. CROWLEY
WASHINGTON (AP) — President Johnson had a lot of officials and their wives sitting on the edge of their chairs today — some with a sense of foreboding, some in hopeful expectation.

Much excitement was aroused by word that the President plans a shakeup in his "little Cabinet;" that he will make many new appointments to such posts as undersecretary, assistant secretary and other administrators.

The President has ordered a "talent hunt." He wants, so far as possible, to recruit his new administrators from men and women already in the government.

KEPT SECRET

So the question arose: Who will get the ax, and who will be promoted to jobs paying as high as \$30,000 a year?

It is one of the hardest secrets to crack, because the President is playing his cards so close to his chest.

Johnson dipped into government ranks in making two of his most recent appointments. Saturday he named William J. Driver to head the Veterans Administration. Monday night he selected Sheldon S. Cohen to be collector of internal revenue.

AUTOMATIC RESIGNATIONS

Driver, who had been deputy VA administrator, succeeds John S. Gleason Jr., who resigned. Cohen, chief counsel of the IRS, succeeds acting Commissioner Bertrand Harding, who had been serving since Mortimer Caplin resigned last July.

Some doubt is expressed as to how sweeping the "little Cabinet" shakeup will be. All such officials submit their resignations, as a matter of formality, when a president is newly inaugurated. The President can give a man the gate by merely accepting the resignations.

But will he do this, for example, to Charles S. Murphy, undersecretary of agriculture? Murphy was a top manager of Johnson's campaign for the presidential nomination in 1960.

MANY AT STAKE

Or to Undersecretary of Commerce Franklin D. Roosevelt Jr., son of LBJ's idol?

Or to W. Averell Harriman, longtime Democratic stalwart and specialist in foreign affairs? He is an undersecretary of state. Insiders take into consideration talk that relations between him and Johnson are not close.

Without firing anybody, the President can put the LBJ brand on much of the government when he fills a long list of existing vacancies.

These include about 15 federal judgeships, nearly as many little Cabinet positions and seven ambassadorships.

TOWN HONORS VIET NAM HERO IN BIG AFFAIR

By JOHN MULLIGAN

SAUGERTIES, N.Y. (AP) — About half of the 4,000 residents of this Hudson Valley village turned out in 24-degree weather on the flag-lined, snowy streets to welcome home Capt. Roger H. C. Donlon, first winner of the Medal of Honor in South Viet Nam's war against Communist guerrillas.

Stores closed, the auditorium of the municipal building was renamed for Donlon, fellow townsman gave him a dinner at the largest restaurant in town —

Mr. and Mrs. Robert Topper. Mr. and Mrs. Harold Sanders announce the birth of a daughter on Tuesday.

Dinner guests on Christmas Day at the home of Mr. and Mrs. Paul Keepers were Mr. and Mrs. James Nickoles and family, Westminster, and Mr. and Mrs. Ralph Long and family, Rocky Ridge.

although only 250 could fit in — and they filled the biggest school auditorium in Ulster County to its capacity of 1,000.

ELOQUENT GIFTS

The gifts the 30-year-old captain received were humble, but eloquent.

The Father Harty Drum Corps that he once led as a teenage drum major gave him his old baton, engraved. The volunteer fire department made him a life member, the first in its 100 years. Plaques came from the American Legion, Veterans of Foreign Wars, Dads of Foreign Service Veterans and the South Side Men's Club.

The Knights of Columbus gave him a rosary, a desk set came from the Chamber of Commerce, and a desk set-radio combination came from his class of 1952 at Saugerties High School. Service clubs gave him a \$200 U.S. savings bond, and the women's societies of St. Mary's Church made 2,000 cookies for a reception at the end of an hour program.

Peter M. Williams, chairman of the Ulster County Board of Supervisors, suggested the best gift Donlon had received was "to have come back to us alive and well."

The captain was wounded four times in leading a successful defense of Camp Nam Dong last July 6 against a five-hour night attack by heavy Viet Cong forces. He received the nation's highest military decoration from President Johnson in the White House last Dec. 5.

Americans read 63,000,000 newspapers every day.

A Lovelier You

By MARY SUE MILLER
A beauty clinic for teens brought into focus the main problems that cause the most aggravation.

Moaning, of course, gets you nothing but a scratchy voice. Another ailment! To eliminate problems, you have to take constructive steps. So let's get with it! Here are the problems and what to DO about them:

1. Shapeless legs. Whether your legs are too thin or heavy, the remedy is contour exercise. Simply stand on a thick book, with heels dangling over the edge. Alternately, raise and lower heels. Work fast to reduce, slow as a

snail to gain.

2. Underprivileged bosom. At all times, keep the chest up and the shoulders down. If you slump the bosom will not have room to develop.
3. Oily hair. Wash, wash, wash—with a shampoo formulated to control oil.
4. Oily or blemished skin. Use medicated soap, night lotion and cosmetics. Stop eating all those gooeyies. See your doctor about clinical control methods.
5. Braces. If your teeth need straightening, it is better to wear braces for a year or so than to spend your life apologizing for your smile. Lots of boys wear braces, so it comes out even. Steven in the staghorn.
6. Glasses. Choose becoming and perhaps zany frames. That way glasses become an accessory, like earbobs. Also investigate contact lenses. More young people wear them than elders.

LEGLINE TRIMMERS

If your individual problem is heavy legs, send for my new leaflet, LEGLINE TRIMMERS, which contains spot reducing exercises that will meet your individual needs, whether for thighs, knees, calves or ankles, or for contouring your entire legline. Write Mary Sue Miller, Box 158, The Gettysburg Times, Dundee, Ill., enclosing a stamped, self-addressed envelope and five cents in coin to cover handling.

BOYLE'S Grab Bag

By HAL BOYLE

NEW YORK (AP) — Every year has a lost week.

This is it — "The season of the great letdown."

It is doubtful that an examination of American history would disclose any great inventions were conceived, any great poems written, any inspiring songs created between Christmas and New Year's Day.

It is not a week for doing great things; it is a week for hanging on — and hoping for better days.

SPIRITUAL NUMBNESS

Everyone is gripped by a kind of spiritual numbness and physical lethargy that has turned us all into ambulant zombies, drained of all feeling.

The season of good will to all has passed, leaving us exhausted from Christmas satieties and excesses and mildly resentful of Santa Claus, whom we tend to blame for our blue and listless

mood. Anyone who walks along the streets now absent-mindedly whistling "Jingle Bells" invites black looks.

What we all seem to need is a high-powered, double action, after-Christmas pep pill that will rescue us from the dumps and make us feel as good as we did just a week ago.

BARREN GLUMNESS

What happened anyway to that frolic sense of anticipation, that friendly sense of the joy of sharing, that pulse-throbbing thrill in the mere human ecstasy of being alive? They are gone, leaving a barren glumness in their place.

TREE WILTS

At home the small boy sits listlessly staring at his broken drum. His older sister—on holiday from school—whines drearily, "What'll I do, Mama, there's no one to play with?" And Mama herself wonders wearily how she's going to summon the strength to get done all the things that cry for her to do.

One by one the browning needles drop from the Christmas tree upon the living room rug. Sensing the decline in family cheer, the dog snarls at the cat, and the cat arches her back and hisses back.

The deterioration in the jolly "Ho, Ho, Ho!" spirit is even more evident outside the home. The postman totes his load of belated Christmas cards with the self-pitying air of an Atlas carrying unnecessary burdens.

In the department stores the clerks, still busy taking back or exchanging presents, are islands of industriousness in the general inertia, but their smiles are forced and they go about their chores reluctantly.

Yes, life is at a halt during the season of the great letdown. But this too will pass.

After the first of January, fired up with new resolutions, everyone will be back on the beam. Some of them will even begin to believe in Santa Claus again.
